NUX-IRON

TONIC With Paw-Paw Added

THREE POWERFUL FORCES IN ONE

PUT UP IN LIQUID FORM

Mr. J. V. Davis, a Methodist minister living at Conzarae, S. C., has joined the army of converts of the thousands who are already disciples of Ironized Paw-Paw. The reverend gentleman says: "I have suffered from stomach troubles for a number of years which caused me considerable anxiety. I could not sleep, or at least I did not know what a sound sleep was for many months. My attention was drawn to Ironized Paw-Paw by reading one of your announcements in the newspapers. I obtained a bottle and began to use it. I may say conscientiously that after the first dose I began to feel relief and the same evening slept sounder than I had in many months past. You may publish this fact, as I want other people to know the remarkable virtues contained in your Ironized Paw-Paw. I consider it does fully more than you claim for it, and I shall certainly continue the treatment."

We want the man or woman who can't sleep and is despondent to come in and try this remedy. You'll never go back to the old-fashioned medicines. Lots of business and professional men find Ironized Paw-Paw enables them to do more and better work. It seems to energize every fibre, tissue and bone. Begin on Ironized Paw-Paw today so you can join the army of converts. Your druggist probably keeps it, but if he doesn't it is on sale in Pensacola by Hamilton Russell and all leading druggists. Ironized Paw-Paw has the formula on every bottle. Mail orders promptly attended to. Interstate Drug Co., Inc., New York.—Adv.

A MUSEMENTS

AL. SHAFFER'S BOYS AND GIRLS—LIBERTY THEATRE, ALL WVEK.

"Smashing Barriers" William Duncan, who to screen followers is known as the king of serial productions, will be back on the screen of the Liberty Theatre today, in a brand new melodramatic chapter play, entitled, "Smashing Barriers." This, according to the producers, Vitagraph, is one of the best, if not the best serial that Duncan has ever appeared in. The last appearance of this husky screen star here was in "The Man of Might."

"Smashing Barriers" has been written with an effort behind it to make it interesting for man, woman or child. It opens up with the action staged at a big Western college, where Duncan as the hero, wins a great football game for his Varsity team. After a chapter or two, the action jumps to the big open spaces of the west—mountains, lumber camps, etc., where our hero has gone to make his way to fortune for himself. This new serial is again the product of the pens of Cyrus Townsend Brady one of the foremost writers in this country, and Albert E. Smith, president of Vitagraph. It is overflowing with new thrills and daredevil deeds. It is everybody's serial, according to the producers, because it contains every element of good, clean adventure. It might be the page from any strong, hustling young man's life. Intertwined in the story of Duncan's making good, is a charming romance.

Character Carries Girl on Mission of Revenge.

Strength of character, so many students of human nature maintain, may be revealed by some terrible occurrence which brings to the surface the best or worst in man. However, strength of character may be for good as well as evil. One may decide to have revenge and keep this idea in mind for years. That is one form that strength shows up in character. In the new World picture, "The Woman of Lies," Olive Sherman, the heroine who has been made an outcast because of lies circulated about her, carries for several years the one idea of squaring accounts with Norton, the man who spoiled her early life.

After some years she succeeds in getting him in her power, and cleverly leading him on, absolutely ruins him. Olive is not a criminal type. She is just an example of a girl whose intense hatred for one man makes her live with the idea of revenge. It becomes an obsession with her. Eventually she finds happiness with the man she loves.

June Elvidge, who plays the role of Olive Sherman, does one of the best pieces of work in her career in this picture. She plays a difficult part and succeeds in retaining the audience's sympathy all through the picture. "The Woman of Lies," the latest attraction at the Liberty theatre today.

Exceptional Cast in "Ruling Passions." The most exceptional cast to be seen in Select Pictures' big special attraction, "Ruling Passions," written and directed by Abraham S. Schomer, which comes to the Isis theatre on Monday. The featured players in this interesting play of social problems are

"RULING PASSIONS" JULIA DEAN AND EDWIN ARDEN AT ISIS, TOMORROW.

Julia Dean and Edwin Arden. Both of these artists are more than well known in this city, while Earl Schenck and Claire Whitney, two other important members of the cast, have appeared in a number of most successful productions seen on the screen.

Miss Dean is a well-known vaudeville actress, in addition to having spent several successful years on the speaking stage. She played in support of Kyrle Bellew and Eleanor Robson and created the role of Virginia Blaine in "Bought and Paid For." She has been seen on the screen in "The Ransom" and "Rasputin, the Black Monk." Edwin Arden for 35 years was one of the most popular stars on the Broadway speaking stage, having appeared in hundreds of highly successful productions. His screen appearance include "The Iron Heart," "Grey Mask," "Beloved Vagabond," and countless others.

Claire Whitney and Earl Schenck are also widely known. For the last two years Miss Whitney's name has been foremost among the country's ablest actresses, while Mr. Schenck is destined to be one of the most popular leading men and stars of the film world.

Local Society Folks Can Fathom Club Life Dangers in "Burlar by Proxy." Society folks of this city have a great treat in store for them with the coming of Jack Pickford's latest picture, "Burlar by Proxy," at the Isis theatre today.

Pickford plays the role of Jack Robin, member of a fashionable society who is attacked by the well-known society ailments, spring fever, love, a flat tire on his high-powered roadster, and a terrible toothache at the same time.

Jack's excitement starts when friends influence him to try to drown

his toothache with a highball. He saturates that painful ivory and unconsciously swallows some of the fluid. With his head in a whirl, he reels homeward to be met by two footpads who insist that he climb into the home of his sweetheart and return with plunder for them. Jack is forced to consent by the weighty argument of the outlaws' revolvers.

Dorothy Mason, whom Jack wants to marry, is given the shock of her life when she sees him come creeping into her boudoir. She surprises Jack with the information that this is not his first attempt at burglary, because he stole her father's business plans. This gives Jack a great shock. He determines to recover the plan even if he had to steal them.

Ben Wilson in Great Play of Chimnology. Manager Jones, of the Bonita theatre, has set a pace for the coming season's attractions that eclipses even the fondest dreams of the most ardent amusement lover, for he will bring to this popular playhouse on Wednesday the first serial ever produced.

"The Trail of the Octopus." The title of this first episode is "The Devil's Trademark."

The wonder play, which has rightfully been termed the Serial of a Thousand Thrills, is as mysterious as the Sphinx, and so far away from the beaten path of the ordinary serial that they cannot possibly be classed alike.

The popular stars, Ben Wilson and Neva Garber, who thrilled thousands the world over by their clever work in "The Voice on the Wire," will have the leading roles in "The Trail of the Octopus," and they have never appeared to better advantage than in this story of death-defying adventure.

Stiff? Sore?

A lame back, a sore muscle or a stiff joint often is considered too lightly by the sufferer. It should be remembered that backache, rheumatic pains, stiffness, soreness, sallow skin and puffiness under the eyes are symptoms of kidney and bladder trouble—and these certainly should not be neglected.

Foley Kidney Pills

help the kidneys eliminate from the system the poisonous waste and acids that cause these aches and pains. They act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to healthy, normal condition.
