

# Our Thanks to the Men of Pensacola

We believe that we all have much to be thankful for this Thanksgiving.

But we, who are identified with this establishment, feel especially grateful for the patronage that has been accorded us this year. Our business has grown to new proportions. We have made many new friends—but what is more important, we have strengthened old friendships.

It pleases us to think what this signifies. It means that the men of this city have faith in our store, in our merchandise, in our word.

Our policy has ever been to deal fairly and squarely at all times, and we are thankful that our method of doing business has won such generous recognition from the men of Pensacola.

### SHEESLEY SHOWS TO ENTERTAIN NEWSBOYS

A special event in connection with the Elks Carnival being held all this week at West Garden and Reus streets will be a series of performances tonight for the newsboys of Pensacola. J. M. Sheesley, owning manager of the Greater Sheesley Shows, which are furnishing the attractions for this Charity Carnival has not forgotten his boyhood days and makes it an invariable rule that the newsboys of each city where his shows exhibit, shall be given a night of entertainment at his expense. Accordingly, tonight all the newsboys of the city will be assembled at 7:00 o'clock and under the personal escort of Mr. Durning of the staff of the Sheesley Shows, will march to the show grounds where they will find all of the attractions in readiness to receive them. Notwithstanding the large crowd that attended the opening of the shows Monday night there was a decided increase in attendance last evening and with continued good weather the success of the Elks Charity Fair is assured.

New York, Nov. 25.—Black and gold in combination, can never outgrow its charm. When a glimpse of oral is added, the resulting costume is an achievement.

For today's sketch a semi-formal frock was found which made use of this combination, in a graceful style of such simplicity that it may be copied at home without difficulty. The material chosen for this particular frock was radium silk of a shade changing from pale taupe to shimmering gold. The skirt is made in bouffant style, with large folds at the hip graduating to smaller folds which merge into the edge of the skirt at the bottom. The skirt is raised to a shorter length at the back, and here enters the real touch of gold. A width of several inches of gold filigree lace, widening at the back, finishes the skirt and makes the real edge. A set-in yoke of the same lace finishes the waist with a low, rounding neck, and extends over the shoulders as foundation for a brief length of sleeve. Short tabs of gold lace peep from beneath a soft girdle of coral satin ribbon.

Blount Sr., a few weeks ago but on account of the sudden illness of Cora Louise was detained. Friends of the family will be glad to know that the little girl has quite recovered.

Mr. B. W. Riall of Birmingham returned home today after a short visit in Pensacola with his daughters, Mrs. R. A. Baker and Miss Thelma Riall.

Friends are welcoming home Walter C. Hoer who has returned to the United States after twenty months service overseas. Mr. Hoer will be in Pensacola until about the middle of January when he goes to Washington, D. C., to accept a position. While in the city he is the guest of his father, Mr. P. C. Hoer and sisters, Miss Ida Hoer and Mrs. T. O. Fillette.
