'What's Your Husband Doing?' Merry Picture of Youth.

Doris May and Douglas MacLean will be the attraction at the Isis theater today in a screen version of the stage play, 'What's Your Husband Doing?'

Miss May has the role of Beatrice Ridley, newly married and suspicious of the notes which her husband gets every morning from 'Honeyuckle Inn.'

The real reason for young Ridley's letters is that he owns a share in the Inn and is trying to sell it out.

The film, which was produced by Thomas H. Ince, is said to provide a fine vehicle for these youthful stars, who have already established themselves in high favor with screen fans.

High and Low Society Compared in Photoplay.

A striking contrast between the high and low walks of life is drawn in the photoplay, 'A Daughter of Two Worlds,' from the novel of the same name by Le Roy Scott, which will be shown at the Isis theater, Monday and Tuesday.

Norma Talmadge, who is starred as Jennie Malone, plays the part of the beautiful daughter of Black Jerry Malone, keeper of a questionable dance hall in the clums.

The ambitions of her father, who is not as black as his name would indicate, carry her out of jail, through a fashionable boarding school for girls, and into society, where she meets the man who wins her love.

The stigma of the past follows her into the new environment, and a dramatic situation arises when Jennie learns that she alone can save from the electric chair a man who has been wrongly convicted of murder.

To do so, Jennie is forced to risk the loss of her fiancé and her place in society.

Can a girl of the underworld, who has lived straight, make good in the social world?

The photoplay answers that question.

KEITH STARS ENTERTAIN AT NEWSPAPER DINNER

New York, Mar. 12.—Saturday evening, March 6, at the Hotel Astor, the New York representatives of practically every newspaper in the United States gave a successful dinner in honor of the space buyers of the New York Advertising Agency.

An array of brilliant vaudeville talent was furnished through the courtesy of Mr. E. F. Albee, president of the B. F. Keith Circuit of Theaters. Movie fans all know and love the famous Lee kids—Jane and Katherine—late of the Fox Films, now a feature in Keith vaudeville.

Lew Wilson was there—versatile singer and comedian from Proctors 5th Avenue Theater. Lew is the boy who can whistle like a lark and at the same time puff his cigarette.

Florence Timponi, late of the Simplicity Moving Picture Co., now one of vaudeville's best known singing comedienne, Miss Timponi, says to be Nora Bayes' double, is known as the Queen of the A. E. F. Never once did she refuse to play at a Soldiers' Benefit.

With his rich, powerful voice, Chief Caupaulican baritone, thrilled the guests to encore after encore. This noted and accomplished chief of royal American blood is now studying with the Metropolitan Opera Company.

We hope our readers got an opportunity to see the Misses Lawrence and Quirk, offering a select and extremely difficult singing and musical act. You will remember Flo Lawrence, versatile star, late of the Biograph and Victor Motion Picture Studios.

Songs and chorus leaders by Leo Feist, Inc., the well known musical publisher.

There were a number of other features which combined to establish this newspaper dinner as one of the most brilliant and successful of the season.

A Friend Recommended Them.

A person often does more good than he realizes when he tells a suffering friend how to get well. J. N. Tohill, clerk Lottie Hotel, Evansville, Ind., writes: 'For weeks I suffered constantly with pains in the muscles of my thigh. I was treated by the doctor for rheumatism but found no relief. Upon recommendation of a friend, I tried Foley's Kidney Pills and began to get relief almost immediately.'

YANKEES MEET ROBINS TODAY

New York, Mar. 11.—The opening contest in the annual ante-season inter-league games between the baseball teams of the major circuits will be played in Jacksonville, tomorrow, weather permitting, when the New York Americans and the Brooklyn Nationals meet in the first match of a long series.

Fully twice as many contests of this type have been scheduled than was the case a year ago and it is probable that close to a hundred such exhibition games will be played before the clubs line up for their initial pennant battles on April 14.

In these games the modern baseball manager and club secretary have found a way in which to partially cut down the heavy cost incidentally to training trips in which parties of more than forty husky athletes have to be transported and quartered at the expense of the club.

TOURISTS INVITED TO BASKETBALL GAME

All tourists now visiting Pensacola are to have a treat at the local 'Y' at 8 o'clock tonight, at which time they are given a special invitation to attend a fast game of basketball between the Wilson-Biggs and the Sportsman Supply Store.

The last game played between these two teams will be remembered by the fans, the score being 10 to 9 in favor of the W-B's, but tonight's game promises to top that one for speed, as both teams have been practicing hard.

'Buddy' Caro went through the league with a perfect percentage, and intends to go through the season with the same, Capt. Hess of the Sportsman is practicing because he wants the honor of beating the Wilson-Biggs this season, so with both captains going into the game with this determination Pensacola visitors are certainly in for a game that will be exciting and full of 'pep' from beginning to end.

All fans are invited to the game and all tourists are cordially invited to be on hand and bring their friends to see these bunch of speed merchants in action.

Have You Given Up?

Are you one of the 85% of men over 65 years old who have given up, and are waiting for the end?

There is no reason for any man or woman to sit in a corner and give up the pleasures of life—the joy of living—the social and business activities that make life worth while.

In middle life and old age the cells of the body are not reconstructed as rapidly as in youth. The cell-salts so abundant in the rich red blood of youth are insufficient in the blood of older people. The heart action slows down, the circulation of the blood slackens, the blood lacks a sufficient supply of vitalizing oxygen and the organs of the body fail to function.

The body in youth possesses more heat than in middle life or old age. That's because there is an abundance of cell-salts in the blood when the body is young—and the blood is rich in oxygen which burns up and eliminates the waste tissues and worn out cells. In youth the quick hot blood urges to action and the body renews itself quickly.

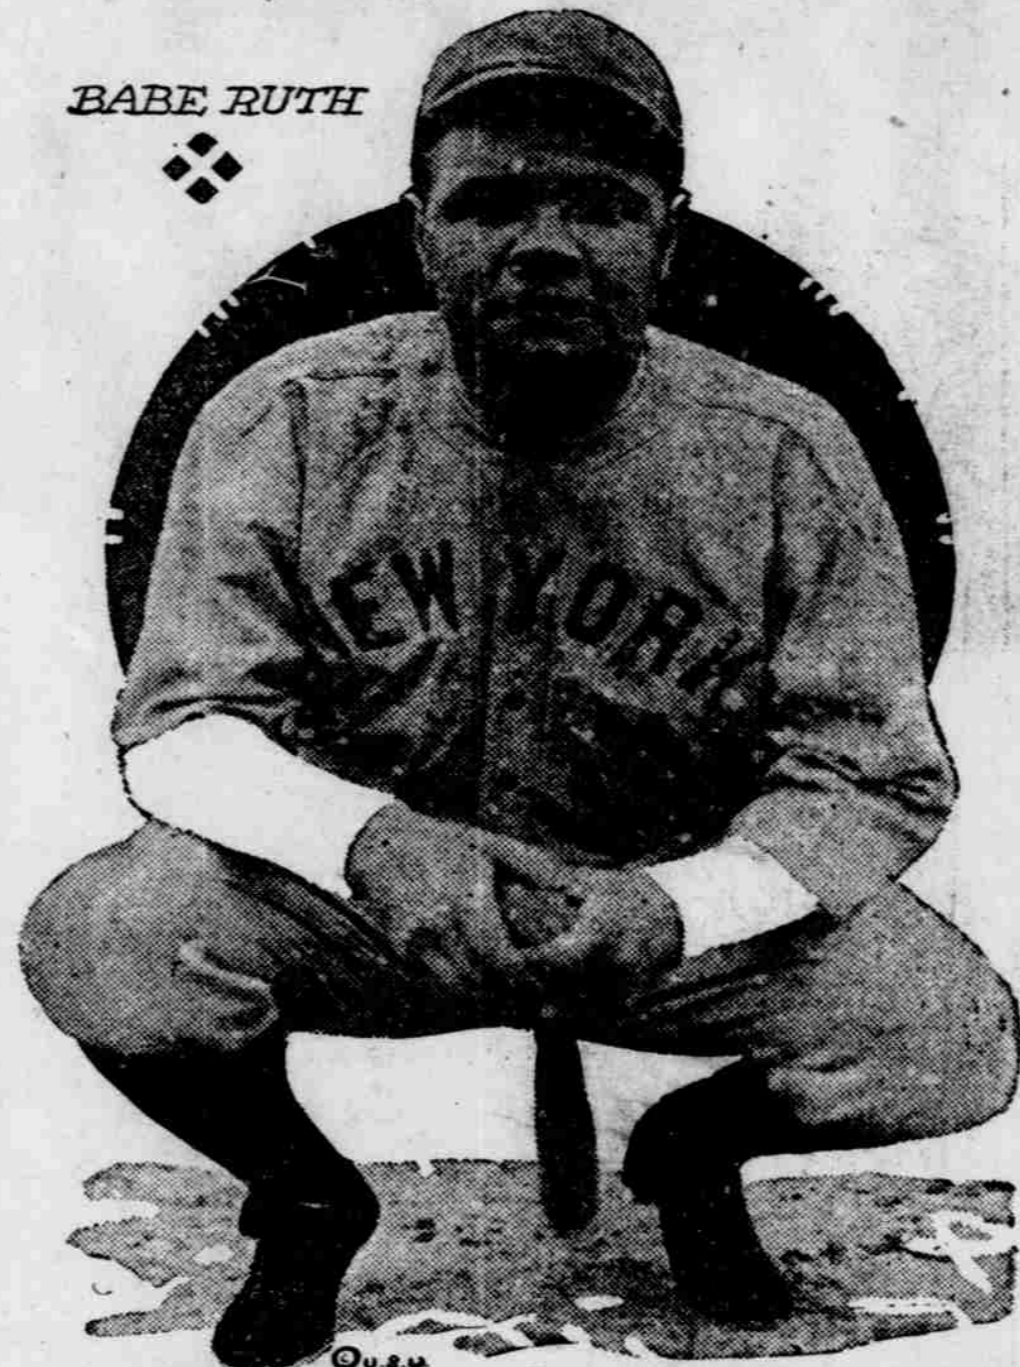

As we grow older we slow down, sit in a sunny corner and give up. We fail to learn the lessons of life and weakly surrender to fear, worry and imaginary diseases that are merely Nature's cry for the natural cell-salts that she must have to keep the body strong and vigorous, and the life-giving oxygen that burns up the worn out cells and vitalizes the blood, making the entire body glow with health and energy.

REOLO has remarkable tonic and reconstructive qualities. It supplies to the thin, inactive, impoverished blood the natural cell-salts, iron and oxygen that the body must have to keep well and renew itself. Try the systematic REOLO treatment for six weeks and you will be delighted with the steady improvement in your strength, energy and mental activity. The large package of 100 tablets, sufficient for two weeks' treatment only costs \$1.

IT COST YANKEES \$120,000 TO PUT A UNIFORM ON THE HOME RUN KING

BABE RUTH

When Babe Ruth consented to hit homeruns for New York this season instead of Boston he made the Yankees a top-heavy favorite for copping the American League pennant. It cost New York \$120,000 to annex the King of Swat. Babe is breaking bats and busting boards off the fence at Jacksonville, preparing to earn his \$20,000 salary.

RESTFUL RESULTS FOR MEN.

Only a person who has experienced that awful 'all night' cough that sometimes follows influenza can appreciate what a good night's sleep can be. Mrs. Annie Davison, 2089 Myrtle St., Long Beach, Cal., writes: 'The result of using Foley's Honey and Tar was a restful one for me.' Foley's Honey and Tar checks harsh, racking coughs; eases wheezy breathing; stops tickling in throat; covers raw, irritated surfaces with a soothing, healing coating. Sold everywhere.—Adv.
