THE COLE PLANTER

MAKES BIGGER CROPS
Because it mixes the guano with the soil close under the seed so that the cotton is nourished from the time it sprouts and grows up strong and thrifty. A farmer says "100 pounds of guano applied with the Cole Planter is equal to 500 pounds of guano in the usual way."

SAVES TIME AND MONEY
One man and one horse at one trip prepares the seed-bed, puts in the guano, opens again, drops and covers the seed, all in just the right way for either Corn, Cotton, Peas, Sorghum, Beans, etc. The COLE PLANTER beats the world in getting a quick, even stand. It puts one seed after another in a straight line, thick or thin, so that it saves seed, sows less to thin, and less to cultivate. Mr. Horn of Georgia writes "I WOULD NOT BE PLANTING MY CROP WITH THE COLE PLANTER FOR \$100.00."

BELL A ROADSIDE FOUNTAIN.

Once Hung in a Church Tower—Cracked in Ringing Union Victory. A most unique roadside fountain for horses and cattle is the invented church bell, set in masonry, which is located on the highway that leads from Northboro to Westboro and near the centre village of the former town.

The bell was originally placed in the tower of the First Baptist Church in the year 1860, and on the occasion of some notable Union victory during the civil war, possibly the surrender of Lee in April, 1865, the vigorous patriotic ringing by the church sexton cracked the metal, and this public crier for religious services on the Lord's day ceased to be tuncful in its weekly summoning to the house of worship.

"It was not until 1892, however," says an old resident of the town, "that the Baptists secured a new and perfect bell. Then the society gave its old relic to the town, and some resourceful town father suggested turning the gift upside down, fixing it firmly in its present resting place as a receptacle for the water of a nearby spring and utilizing it as a means of liquid refreshment for thirsty horses and cattle.—Boston Globe.

Education. To be able to catch the spirit of a beautiful thing is education.—Rev. A. T. Horn, Methodist, Chicago.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an un-failing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

Raw Eczema on Hands.
"I had eczema on my hands for ten years. I had three good doctors but none of them did any good. I then used one box of Cuticura Ointment and three bottles of Cuticura Resolvent and was completely cured. My hands were raw all over, inside and out, and the eczema was spreading all over my body and limbs. Before I had used one bottle, together with the Cuticura Ointment, my sores were nearly healed over, and by the time I had used the third bottle, I was entirely well. To any one who has any skin or blood disease I would honestly advise them to fool with nothing else, but to get Cuticura and get well. My hands have never given me the least bit of trouble up to now."
"My daughter's hands this summer became perfectly raw with eczema. She could get nothing that would do them any good until she tried Cuticura. She used Cuticura Resolvent and Cuticura Ointment and in two weeks they were entirely cured. I have used Cuticura for other members of my family and it always proved successful. Mrs. M. E. Fallin, Speers Ferry, Va., Oct. 19, 1909."

A Generous Gift.
Professor Munyon has just issued a most beautiful, useful and complete almanac. It contains not only all the scientific information concerning the moon's phases, in all the latitudes, but has illustrated articles on how to read character by phrenology, palmistry and birth month. It also tells all about card reading, birth stones and their meaning, and gives the interpretation of dreams. It teaches beauty culture, manicuring, gives weights and measures and antidotes for poison. In fact, it is a Magazine Almanac, that not only gives valuable information, but will afford much amusement for every member of the family, especially for parties and evening entertainments. Farmers and people in the rural districts will find this Almanac almost invaluable.
It will be sent to anyone absolutely free on application to the Munyon Remedy Company, Philadelphia, Pa.

It was in this very cottage in Brookside, 15 miles from Birmingham, Ala., that three Italians nearly died of Fever. They had been sick 3 months. Johnson's Tonic cured them quickly—read letter below:

Brookside, Ala., May 4, 1901.
The two physicians here had 3 very obstinate cases of continued Malarial Fever. All were Italians and lived on a creek 50 yards from my store. These cases were of three months standing, their temperature ranging from 100 to 104. The doctors had tried everything in vain. I persuaded them to let me try Johnson's Tonic. I removed all the printed matter and let the medicine go out in a plain bottle as a regular prescription. The effect in all three cases was immediate and permanent. They recovered rapidly and there was no recurrence of the Fever.
