A HAPPY NEW YEAR!

On the threshold of another New Year we want to pause to thank our friends and patrons for the very liberal business accorded us during the past year. As one and all you will soon turn the corner into the New Year, look back a minute over the road you have been traveling the past year. Have you saved anything for the "rainy day" that never fails to come? Have you been true to yourself and your family? If not, once more before you step out into the pure New Year call at our bank and make a deposit, if only of one dollar, and in twelve more short months take another retrospective glance and see how much pleased you will be with yourself and with the way your dollars have multiplied from the one little seed you planted in our bank, Jan. 1, 1911. We wish every young man in the community would start a bank account with the New Year. How many will make the experiment? Have your idle money drawing interest for you on the first day of the glad New Year, 1911. This is advice and like salvation, it's free. Try it. While the feeling of good fellowship is in the air and good resolutions are being made for the New Year, would it not be a good idea to resolve that you will save more money during the coming year than during the past one; then come in and open an account with us and then watch it grow.

A COMEDIAN'S TRICK.

Ruse by Which He Escaped Arrest and Had His Debts Paid.

Many amusing stories are told of Joe Haines, a comedian of the time of Charles II., sometimes called "Count" Haines. It is said that he was arrested one morning by two bailiffs for a debt of £20, whom he saw a bishop to whom he was related passing along in his coach. With ready resource he immediately saw a loophole for escape, and, turning to the men, he said, "Let me speak to his lordship, to whom I am well known, and he will pay the debt and your charges into the bargain."

The bailiffs thought they might venture this, as they were within call of their people of the coach, and acceded to the proposal.
