THE GUIDE POST

THE Largest Bank in Madison County—the **Old-est** Bank in Madison County—are two Guide Posts that should direct the man or woman looking for a strong Bank. Thirteen years of safe and conservative banking through good times and hard times is our record. During the recent panic (conceded to be the worst one in the history of the country) this Bank issued no Clearing House Certificates, restricted no payments of money, nor did it require the 60 days notice of withdrawal of money in the Savings Department in any instance, but paid out hard cash in each case, a record to be proud of.
 We invite your account. Deposits made in our Savings Department up to the 5th of any month draw 4 per cent. interest from the first.
