**MISSIONARY SOCIETIES  
AT DUNNELLON**

The Marion Association of the Baptist Women's Missionary Societies met for its annual meeting at Dunnellon on Thursday night and Friday, October 21 and 22.

Thursday night's program included inspirational talks by Mrs. H. C. Peelman and Dr. Brittain.

Friday morning the meeting was called to order by the president of the association, Mrs. T. N. Strange of Dunnellon.

Mrs. R. J. Rawls of Crystal River led the devotional exercises.

Mrs. Kibler gave a very cordial welcome to the delegates and visitors and Mrs. Cranford graciously responded.

After the appointment of the usual committees reports from societies and officers were given.

During the day several very interesting papers and talks were given and Mrs. Peelman, secretary for the state, made many valuable suggestions and explanations.

Among the subjects discussed were the following:

Southern Baptist Convention, Mrs. S. A. Standley; Hospital Equipment, Mrs. Christian; Margaret Fund, Mrs. Whitaker; Seaman's Institute at Jacksonville, Mrs. W. T. Gary; Magazines, Mrs. Hickson; Mission Study, Mrs. Burnett.

Mr. Armstrong of Lake Butler, whose daughter, Miss Crystal, is a student at the women's training school at Louisville, Ky., gave a very interesting talk on the school.

The committee on resolutions reported the following resolution, which was unanimously adopted:

Whereas, the good people of Dunnellon have provided such generous entertainment; and, whereas, this has been a wonderfully inspiring session, therefore be it resolved, that we express our sincere thanks for their bountiful entertainment; that we assure Mrs. Peelman of our appreciation and gratitude for her visit and loving counsel.

Mrs. R. L. Clark.  
Mrs. W. A. Knight.  
Mrs. C. C. Boone.

A rising vote of thanks for her faithful and loving services was given the president, Mrs. T. N. Strange.

The following officers were elected for the ensuing year:

President: Mrs. L. W. Duval; vice-president, Mrs. J. K. Christian; secretary, Mrs. W. T. Gary; superintendent of young people's work, Miss A. P. Willis; superintendents of districts, first, Mrs. N. A. Fort; second, Mrs. G. W. Scofield.

The women of the Dunnellon church served a most bountiful dinner, picnic style, during the noon intermission and extended a most gracious hospitality throughout the session.

The meeting was well attended by delegates from nearly every church. The following ladies from Ocala attended the Friday session, going over in automobiles: Mrs. Walter Marsh, Mrs. C. L. West, Mrs. Mabel Floyd, Mrs. W. A. Knight, Mrs. W. T. Gary, Mrs. S. A. Standley, Mrs. Tillman, Mrs. Sheppard, Mrs. J. N. Rogers, Mrs. Williams and Mrs. Moree.

Mrs. Peelman accompanied Mrs. Gary to Ocala, leaving early Saturday morning for her home in Jacksonville.

**A BIG BOARD**

At the October meeting the county commissioners passed the following resolution:

"Whereas, from the published reports of the federal census of A. D. 1920 the population of Marion county has fallen below 25,000; and, whereas, the burden of taxation, federal, state and county are of necessity very heavy on the people, and it therefore behooves this board as the financial agents of the taxpayer to reduce expenses wherever they possibly can.

"Therefore be it resolved, that the per diem of the members of this board be \$300 per year and that the salary of the clerk of this board be one hundred and twenty-five dollars (\$125) per month instead of \$165 per month, which motion was seconded by Commissioner Hutchins and upon being put to vote Commissioner Rogers and Hutchins voted yeo. No negative vote."

This resolution is humbug.

The county commissioners did not fix their pay at \$300 a year. The law fixed that as a limit for them and wisely. Each and every one of them has drawn \$4 a day, his full pay and is still getting that same \$4, except the chairman, O. H. Rogers and J. W. Davis and these two are not getting it simply because they have already drawn their full \$300, and I have refused to issue any more warrants to them, in accordance with my oath of office and the law.

The county commissioners are also under oath, but this did not prevent them from fining the clerk by cutting his pay for refusing to issue the chairman and Davis illegal warrants.

The utter humbug of the retrenchment part of their resolution is shown by their cutting nobody's pay but the clerk and by their increasing the pay of the ferrymen 25 per cent and increasing the pay of the janitor at the jail from \$60 to \$75. This county cannot pay a jailor, under the law, but can have a dozen janitors, and it has two janitors, one at the jail and one at the courthouse.

The present board of county commissioners has shown its idea of retrenchment by donating to the fair association, for instance, money of the people of this county, in the teeth of

**LAKE WEIR**

Lake Weir, Oct. 26.—Letters from Mr. and Mrs. Mike Collins of Milford, Conn., assure their many friends on the lake they will spend this winter in the little bungalow they purchased last winter from Mr. George Thompson near the school house. Mr. and Mrs. Collins are extremely public-spirited citizens and will add greatly to the social life of the lake.

The many friends of Mrs. F. W. Brooks are delighted to have her on the lake for the winter again, as she usually spends the summer months at her home in Cambridge, N. H.

Mr. and Mrs. Charles Rheinauer spent several days of last week on the lake at their cozy home, but on account of the illness of Mr. Rheinauer will remain in Ocala for the present.

Mrs. Jenks of Westerly, R. I., who bought the Dougherty cottage last season, has shipped her household goods and will soon follow to occupy her cottage for the coming season.

Rev. J. C. Boatwright of Anthony, held a very interesting series of meetings the past week. The beautiful ordinance of baptism was administered at the Bradford dock to five candidates after services Sunday morning.

Judging by the activity of the sand pump there must be a great quantity of sand shipped from Sandy Hook, as the engine starts up at 7 a. m. and

continues until 5 p. m., loading cars all day long.

Lake Weir is higher than it has been for twenty-five years. The oldest residents claim it rises to the highest watermark every 35 or 40 years and then slowly recedes for the intervening years.

the fact that the whole board realizes that the vast majority of the people of the county do not want it done. The retrenchment idea of the commissioners is shown a little bit, in my opinion, by an absolute waste of about 40 per cent of the road money of this county.
