## TOO SLOW FOR THOMAS

Hicks Made a Gunplay with Disastrous Results to Himself

A sharp eye, a quick hand and a good gun saved Marshal S. C. M. Thomas from death or a bad wound today.

Mr. Thomas was on his official rounds when he saw Albert Hicks, colored, who has a criminal record. Mr. Thomas had no desire to arrest Albert, but thought that with a view to the public safety it would be well to look him over and see if he had a gun on him.

He had. Albert's gun was in his blouse, nearly under his left arm; a very convenient place for a man who can pull quick. The marshal laid hands on him to "frisk" him. Albert tried to pull quick.

Thomas pulled quicker. He beat Albert to it by a split second, putting a heavy bullet in the vicinity of his stomach. Albert took the count and was also taken to the hospital.

Albert's gun is a formidable weapon, a Colt's special of heavy caliber. As he and the marshal were right together, we would have needed a new marshal this evening if the present incumbent hadn't been sudden on the shoot.

Don't fail to visit the Guarantee Clothing & Shoe Company. Everything we sell is guaranteed. We're fighting for QUALITY—not prices. 4f

For HALLOWE'EN plenty white cloth cheap. FISHEL'S. 22-2t

Advertising not only builds up your business but also builds up the town.

## For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. White-side, of Keota, Okla. She continues: "I had a pain in my chest after eating—light, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

## Theford's BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Theford's Black-Draught," is on the package. At all druggists.

Accept Only the Genuine.
