

COMPLETE RING RECORDS OF TWO BATTLERS WHO MEET FOR WORLD'S TITLE ON SATURDAY

(By Associated Press) New York, June 30—Veterans of numerous gory ring battles, will face each other in the ring when Jack Dempsey defends his heavy-weight title against the challenge of Georges Carpentier in the Jersey City ring, July 2. Through several campaigns, both have won and lost contests in nearly every possible manner. Both have won by knock-outs, on points and by fouls; both have lost on points and by knock-outs, although Dempsey never has lost a decision on a foul as did Carpentier to Frank Klaus, when Manager Descaups climbed into the ring to save the Frenchman from further punishment. Carpentier, fighting since 1907, is the more grizzled veteran of the two. In winning his way up from the bantamweight ranks to the heavy-weight class, Carpentier, who started boxing at 14, has engaged in 85 battles. In 71 of these he emerged from the ring the victor. Thirty-four times, he won by knockouts; 33 times on point decisions and four times on fouls by opponents. The Frenchman has fought only five draws; has lost once on a foul and has been knocked out once. To a French youth named Gloria goes to credit for being the only opponent who has stood over the challenger and listened to the toll of the referee. Carpentier's record before the war is one of the most active credited to a leading boxer. Service in the French army curtailed his boxing for four years but since the armistice, with a heavyweight title bout his main consideration, Georges has engaged in fewer glove contests. Jack Dempsey has fought 64 battles and 55 resulted in victories for him. The champion has knocked out 45 or almost three-fourths of his opponents in six years of boxing, a remarkable record. Nine times, he has won on point decisions and his only victory on a foul was over the ponderous Carl Morris. The champion has fought four draw decisions; has lost on points twice and has hit the canvas only once to stay there for 10 seconds. "Fireman" Jim Flynn, in 1917, achieved that startling feat but later the "Pueblo Fireman" was knocked out in less than a minute by Dempsey when the latter was on his way to the championship. Dempsey also has fought two no-decision bouts. The complete records of the boxers follow:

RAIN PREVENTS STATE CHAMPIONSHIP CONTEST

Special to News Jacksonville, June 30.—Rain prevented the baseball tournament games to decide the championship of the state of Florida being played this afternoon. The only teams competing, the St. Augustine team and the All-Moons of Jacksonville, were in good shape for the contest, but the rain continued in a steady drizzle for the whole afternoon.

NOMINATION CONFIRMED AFTER FIGHT BY SENATORS

(Continued from Page 1) South Carolina, Overman, of North Carolina, and Broussard, of Louisiana, democrats. Senators Borah and Johnson were reported to have entered their attack on Mr. Taft's legal training, experience and qualifications. According to the reports filtering out from the senate chamber, Senator Johnson was said to have declared that Mr. Taft's appointment was "purely political." A similar charge, it was reported, was made by Senator Borah.

Not Regarded as a Lawyer

Senator Johnson asserted that Mr. Taft had not regarded himself as a lawyer, but as a politician and had "abandoned" his profession after leaving the White House. The defense of Mr. Taft, was led by Democrats. Senator Underwood said that Mr. Taft had made himself "beloved of the south" adding that this sentiment was due largely to Mr. Taft's appointment, when President, of a southerner, the late Chief Justice White, to the highest judicial position of the country. Similar statements were made by Senator state of the late Chief Justice. Mr. Taft's legal learning was praised, it was said, by Senators

Knox and Willis, the latter referring to his experience on the bench in Ohio, Senator Kellogg, referred to the position of honor held by Mr. Taft in bar and similar associations. Southern senators, with exception of Senator Watson, of Georgia, were solidly behind the appointment. Senator Smith, of South Carolina, discussed the race question, commending Mr. Taft, for refusing to appoint any but white men to offices in South Carolina.

Was Taft's Life Ambition

Montreal, June 30.—"It has been the ambition of my life to be chief justice," William H. Taft declared tonight, "but now that it is gratified I tremble to think whether I can worthily fill the position and be useful to the country." "I have received telegrams announcing that the President has nominated me to be chief justice of the United States and that the senate has at once confirmed the nomi-

nation," said Mr. Taft in a signed statement commenting on his appointment. "I am profoundly grateful to the President for the confidence he has shown that I can discharge the important duties of the exalted office. I sincerely hope and pray that I may be able to show that his confidence has not been misplaced. I highly appreciated the immediate confirmation by the senate.

"The argument in the Grand Trunk arbitration, in which I am one of the arbitrators, will be concluded Wednesday July 6, and I expect to be in Washington on July 7 to take the official oath, confer with the attorney general and to pay my respects and thanks, in person, to the President."

Mr. Taft did not receive the official notification of his appointment until he had returned to his hotel at the conclusion of the first day of the argument of the Grand Trunk arbitration. Immediately on receipt

of this notification Mr. Taft was congratulated by his fellow commissioners on the board, and the chairman, Sir Walter Castels, gave a small dinner to celebrate the occasion.
