

SIX DAYS OF JOY FOR ELKS PLANNED AT LOS ANGELES

(By Associated Press)
Los Angeles, Cal., July 9—Six days filled with pageants, parades, excursions, banquets, barbecues, balls and business sessions lie ahead of delegates and other members of the Benevolent Protective Order of Elks when they arrive here tomorrow for the annual sessions of the Grand Lodge of the Order.

While the Grand Lodge will not be officially opened until Monday night, the program arranged by Los Angeles Lodge, No. 99, provides for something to interest the visitors from the time their special trains pull in tomorrow morning until the following Friday, when the gathering closes with a ball at one of Los Angeles' new hotels.

Business sessions of the grand lodge open Tuesday. One of its first actions, it is expected, will be to send a fraternal message to Brother Warren G. Harding, President of the United States.

Election of officers is scheduled for Wednesday. According to local Elks the only person talked of for the office of Grand Exalted Ruler is William W. Mountain, of Flint, Mich. Selection of a place for the 1922 Grand Lodge meeting is expected to follow.

Business sessions will be held on Thursday and Friday. Interspersed will be trips to Catalina Island, Santa Monica, Long Beach, Redondo Beach, Pasadena, and other nearby resorts. The annual parade, in which the delegates and their companions will march, grouped according to states, will be held Thursday morning.

There are 1415 lodges of the order each of which is entitled to send one delegate. Past exalted rulers of the lodges are also members of the Grand Lodge, and the local commit-

LEGION HEADQUARTERS TO PROTECT ITS SERVICE

(By Associated Press)
Indianapolis, July 9—National headquarters of the American Legion has taken steps to prevent misuse of government benefits for ex-service men, according to a statement made today by Lemuel Bolles, national adjutant.

"It has been brought to our attention that a few men have deliberately falsified claims for compensation, vocational training and medical treatment," said Mr. Bolles. "Considering the large number of wounded veterans who are entitled to every benefit the government can give, the number of imposters is not large. But, few as they are, their action works a hardship on the disabled."

"Cases of deception have been more numerous lately, due to the rush of claims, following the Legion's fight for government efficiency. However, the Legion will find time and means to expose any imposters who come to us for assistance in pressing their claims."

All Legion posts have been instructed to furnish government bureaus with information they obtain about men concerning whose disability any doubt exists. The post activities in favor of the genuinely disabled will continue.

tee anticipates they will swell the number of official representatives to at least 2,000.

GOVERNMENT MEN WILL MAKE TOUR OF BIG PROJECT

(By Associated Press)
Niagara Falls, N. Y., July 8—The federal government and sixteen states will be represented on a tour of the proposed Great Lakes-St. Lawrence waterway project to start from here on July 11.

Several members of President Harding's cabinet, U. S. Senators, representatives, state executives and engineers will probably make up the party which will make the trip under the auspices of the Great Lake-St. Lawrence Tidewater association.

The trip was planned so that the official representatives of the association might obtain first hand knowledge of the proposed improvements necessary to open the Great Lakes to ocean-going commerce.

The party will be the guests of the Canadian government which will place a steamer at their disposal for the trip through the Welland Canal to Toronto, up the St. Lawrence river to Quebec and the return to Montreal where the journey will end on July 15.

During the trip, the engineers and economists, who are to accompany the expedition will make a detailed study of the problems, and while no formal programs have been arranged, there will be group discussions and conferences regarding the project.

LEGION MEN TO DISCUSS CO-OPERATION PLANS

(By Associated Press)
Indianapolis, July 9—Officials of the American Legion, representatives of the war risk insurance bureau, public health service, and federal board for vocational education will meet here early in August, according to Legion officers, for the purpose of discussing closer co-operation in behalf of disabled former service men.

The Legion has received word of the appointment of Carlos A. Pennington, assistant director of the bureau of war risk insurance, as contact officer between the Legion and the government bureau.

Even a tight-wad is seldom that way when he gets tight.

News: Something out of the ordinary. Thus we find encouragement in the fact that man's meanness and not his goodness inspires headlines.
