

### KIWANIANS TALK GOOD ROADS AND ANOTHER SCHOOL

The Kiwanis Club held its weekly luncheon meeting at the Dearing Hotel yesterday, the following members answering the roll call:

H. E. Stumpe, L. A. Smith, T. J. Barnett, M. M. Vickers, George R. Hilty, Chris Stanton, Sr., H. F. Lecks, F. J. Fearnside, Sr., Aev. Sibert, Dr. J. R. Thornton, Walter McNally, P. M. Hagan, W. P. Dineen, Robert James, R. C. Richard, J. R. Millican, Robert Ernest, Sr., E. L. Mann, L. H. Phillips, Jimmie Martin, Goss Mattox, F. J. Fearnside, Jr., J. B. Darby, C. E. Currie, C. H. Kennerly, J. B. Boaz, R. J. Hancock, W. P. Merriam, F. V. Oliver, Chas Drayer, H. R. Rosbro, Rev. Webber-Thompson.

Mr. Seals, representing the Florida Automobile Association talked relative to the deplorable condition of the clay roads in Putnam county. Mr. Seals said that it is the expressed opinion of the traveling public that the dirt roads of Putnam county are among the worst in Florida. Other members also expressed their opinions as to the needed work on our roads, it being pointed out that no material is needed to put these roads in fair condition. The Interlacheon road is almost all clayed, but needs to be slightly graded, which could be done at a very small expense.

F. J. Fearnside, Sr., said that the Interlacheon road lies between two road districts, and therefore cannot be built by a bond issue from its territory. He favored Palatka joining the road district through which the Interlacheon road runs so that a brick road may be constructed to meet the Alachua county road now under construction. Mr. Fearnside's remarks were received with applause.

The matter of building a new school building was discussed. R. J. Hancock and H. F. Lecks said that they and W. P. Merriam had investigated the school situation and find that the Palatka District is bonded to the limit; that this district is now in debt in the sum of \$1,500.00; that the last session of the legislature passed a law authorizing the school board of Putnam county to call an election to determine the issuance of time warrant, \$25,000 of which would go to Crescent City for a new building, and \$90,000 to Palatka. These warrants will be interest bearing and payable twenty years from date of

issuance. Because of the present indebtedness of the district and because of the provision of law for the issuance of time warrants, the committee felt that the present is an inopportune time to advocate a bond issue for a new school building.

Mr. Lecks read a letter from International Kiwanis congratulating Palatka on joining the family of 531 Kiwanis clubs.

George Hilty, representing the Rotary Club, gave a talk on effective cooperation for civic development.

Dr. Sibert invited the entire Kiwanis Club to the Methodist Chicken dinner on next Friday night, where each is promised much more than his dollar's worth. Dr. Sibert promised to have on exhibition his ear of corn growing on three stalks for the edification of Dr. McQueen.

After routine business was attended to, the meeting adjourned until next Wednesday.

### PALATKA TAKES FIRST OF GAMES FROM LEESBURG

Palatka defeated Leesburg in the first game of the series yesterday afternoon by a score of 4 to 3. Opportunity hitting by the locals was responsible for the victory. Elrod was in trouble in the first inning, the fourth, when the visitors scored three runs. First Baseman Villarina was forced to retire when he sprained his arm while sliding to base in the fifth. Catcher Buckles, for the visitors, was also forced to retire when Thomas collided with him at the plate in the eighth.

Absence of members of the News' staff prevented a complete recounting of the incidents of the game. Score by innings:  
Palatka ..... 200 000 02x-4 9 2  
Leesburg ..... 000 300 000-3 7 3  
Batteries: Elrod and Larzo; Epperson and Buckles and Alsobrook.

to entertain with a chicken and barbecued pig dinner, from 6 to 9, to be followed by dancing. While the affair will be entirely informal, it will be none the less enjoyable.

All of the members of the club are urged to attend and under a suspension of house rules will be permitted to bring resident guests with them, as well as non-residents.

At a meeting of the directors last night it was announced that the swimming pool will be open for use next Tuesday, and that it is hoped to have the gun traps ready by that time also. The pool will be one of the most attractive departments at the club these warm afternoons and evenings, and adequate bath houses are being constructed.

### FAMOUS RUSSIAN MONK PLANNING ANOTHER REVOLT

Former Antagonist Of Rasputin to Take Up Fight

(By Associated Press)  
Riga, Latvia, July 1—The monk Iliodor (Heliodorus), former preacher and afterward antagonist of the notorious Rasputin, is again attracting attention in Russia by announcing his purpose to start a revolution in the Orthodox Russian church. Heliodorus fled from Russia after his break with Rasputin in the early part of the war but returned after the Bolsheviks gained control. He was unfrocked by the church.

His reappearance in public in Russia was almost simultaneous with a revival of fervor in the Orthodox church, which the Bolsheviks now are trying to combat. In an address at the Tsaritsin (of which he was formerly abbot) he recently declared: "I consecrate myself to the fight for the people's cause and to start a campaign against the popes (priests) which is to make a revolution within the church."

Every Sunday and on many religious feast days in Russia the churches now are crowded. Communists, themselves, are attending the services and this has brought down on their heads a warning from the government "not to set so bad an example for the peasants." On that subject, the Moscow Pravda says that some of the Communists even have used Soviet official automobiles to take their families to church services, weddings and christenings. The newspaper printed the following warning from the party heads: "The Soviet power has no inten-

tion to compel anyone by forcible means to leave off the services of professional darkness, but the Communist party as a whole has a right and is bound to demand from its responsible members that they not only should not take part in religious ceremonies and services but should try by example and explanation to others to overcome all religious superstition. Every member of the party directly and openly should recognize and strengthen by the example of his own conduct the truth that religion and scientific Communism are absolutely incompatible."

### NO RECORDS LOST WHEN GRAVEYARD SAFE BLOWN

It was erroneously stated in The News yesterday that the burglar who cracked the safe in the office of the sexton at West View cemetery carried off maps and plats of the cemetery. Nothing was carried away for the reason that there was nothing of value in the safe that a thief could have realized anything on.

The hinges to the safe were broken off with an axe. Frank Wattles, one of the trustees, figured it out that the job was done by a white man as no cullud gemman could be induced to enter a graveyard after dark.

**BIG BLACK BEAR KILLED IN LONG SWAMP SATURDAY**  
John E. Brooks, of the San Mateo section, killed a 300 pound black bear on Bear Bay in long swamp Saturday afternoon. She was making her way across the swamp from a corn field where she had just fed herself and two cubs. Mr. Brooks did not find the cubs, which made off as soon as he fired the first shot at the mother bear. It is said that bears have been doing considerable damage to corn fields and hops in the vicinity of the long swamp recently, and residents are on the lookout for the marauders.

He immediately reported the matter to Deputies Livingston and Cannon, who hurried to the scene and in a short time had placed Gilbert Bowling, colored, under arrest.
