This train will connect at Valdosta with an excursion train coming from Jacksonville via the G. S. & F. Ry., to which a Pullman sleeper is attached that is to be operated through to Macon and Atlanta. Through coaches will be operated from Palatka to Macon and Atlanta without change. The excursion train is scheduled to reach Macon at 6:00 p. m., and Atlanta at 10:00 p. m. Separate coaches will be furnished for a limited number of the better class of colored people. This excursion is to be promoted and operated by the G. S. & F. Ry., and special preparations are being made for a most comfortable and enjoyable outing. Full particulars regarding tickets, rates, schedules, etc., will be furnished upon application to J. H. Haughton, City Ticket Agent, Palatka, or by writing either J. H. Rafferty, District Passenger Agent, G. S. & F. Ry, 201 W. Bay St., Jacksonville, Fla., or C. B. Rhodes, Gen. Pass. Agt. Macon, Ga.

A. G. Hartridge, states attorney of Jacksonville, has filed a motion in the circuit court to disbar Otis R. Parker, an attorney and member of the firm of Clark, Parker & Hemming. Parker was formerly a prominent lawyer and mayor of Lake City. It is alleged he tried to influence Justice I. L. Farris in selecting jurors for the Bradford murder case by submitting to the justice a list of names from which to select jurors. Parker is one of Bradford's attorney's.

The "Fiddle" in Church.

The violin in church worship is evidently a new thing in Jackson, Ga. But according to the Record of that place, of the 9th inst., a Palatka young lady has made it a pleasing and helpful innovation. Under the caption of "The Truth Demonstrated," the Record says:

"One of the strong points in the sermon of B. Lacy Hoge last Sunday was that God can take our weakest point and under his direction make it our strongest one. In other words, the very instrument the devil liked best, will be our strongest one for good. Shortly after this idea was thrown out the singing began and Miss Ilah Bond of Palatka, Fla., who is a beautiful type of the most noble of God's creation, a southern Christian lady, began to play the violin in the sweetest chord that ever re-echoed in praise of God. Though she is young yet her instrument obeys her every touch and quivers the sound then needed. This has been the most abused musical instrument on earth. At every party the devil chose the violin because it was the sweetest and we had about aligned it with pistol and bottle, but the good lady knocked such notions out of us on the first round. The instrument the devil liked best can be used, under the direction of God, to accomplish great good."

This story reminds the editor of an incident which happened in a large northern city many years ago. The pastor of the leading Methodist church was away and the pulpit was being supplied by an old-fashioned circuit rider from the back country. In the organ loft was an orchestra composed of a violin, bass viol and other instruments. The old preacher didn't like it. It disgusted him, and that disgust was manifest when he announced the first hymn as follows: "We will now fiddle and sing to the glory of God the —— hymn." It was in the tone of voice as much as in the choice of words that showed the old minister's disgust of a fiddle in church.

But ideas are evidently changing, even in Georgia, and the News is glad it remained for a Palatka young lady to elevate the "fiddle" to its proper place in Jackson Methodism.

Wedding Announcement.

Friends in this city of Mr. and Mrs. David Clark Wheeler, who make their winter home at Federal Point, have received invitation to the marriage of their daughter, Katherine Emma, to Mr. Roy Elliott Clark. The ceremony will occur at the Park Street Congregational church, Bridgeport, Conn., at 6:30 Tuesday evening, the 27th inst.

CUBAN DIARRHOEA.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Ackerman & Stewart.

Putnam House Improvement.

Contractors are now making estimates for building the new brick block for the Messrs. Merryday on the Lemon street lawn of the Putnam House grounds, and within a few days the contract will be let.

The brick is already being hauled to the site of the new building and the grass is being taken up and the ground leveled. The floors of the new buildings will be of cement and level with the street, hence the necessity of taking up the grass to get the proper level. Only Palatka contractors are bidding on the work.

The Messrs. Merryday have about decided not to make the contemplated alteration to the Putnam House this summer, but instead will go ahead with painting the entire building, most of which has been accomplished.

The interior of the house is rapidly being brought into shape for occupancy, and the Putnam House will certainly be opened to the public this winter.

An Outside Estimate.

Riding on an Atlantic Coast Line train the other day were two south Florida gentlemen. They were engaged in talking good roads over only tolerably good cigars in the smoking compartment.

One of them was from Orange county and one from Tampa. The latter asked the Orange county man if Putnam county was doing anything for good roads. Here's the reply:

"No, Putnam county isn't doing anything for good roads or anything else that spells progress. The county has not made an advance move in twenty years, and its commissioners are afraid to do anything for fear they'll lose their jobs."

This is an actual conversation as overheard by the editor of the News.

It is valuable only in that it expresses an outside estimate, whether just or undeserved, of Putnam county's past and present do-nothing policy.

The speaker evidently did not know that our county commissioners passed a resolution to build a court house at the May meeting and flunked in June.

"O, wad some power the giftie gie us, To see ourselves as ithers see us."

Church Service Resumed.

Rev. F. H. Richey, rector of St. Marks church, who was called to New York two weeks ago on account of the death of his father, Rev. Dr. Thos. Richey, will return to morrow. Services will be resumed on next Sunday and the rector desires as full attendance as possible. The order of services will be, Holy Communion at 7:30 and 11 a. m., with Litany and sermon at the latter service. Evensong at 7:30 p. m.

Begins to Shoot Up.

The work of building the new river front depot of the G. S. & F., in Palatka was actively begun last week and an army of masons are now laying the walls which are rising rapidly. Brick is being brought in by train load and is being unloaded on the ground. It is the purpose of the company to push the building operations rapidly from now on.

STATE NEWS IN TABLOID

Three recent attempts have been made to burn the state reformatory for whites at Marianna.

Gov. Broward has appointed E. A. Crawford of Tallahassee assistant state auditor and C. D. Clark of Blountstown, supervisor of convict camps.

B. H. Burton, former deputy clerk circuit court, Pensacola, has been arrested for falsifying records, embezzlement and forgery. He admits guilt.

The largest canning factory south of Baltimore is now in operation at Delray. The capacity of the factory is 50,000 two-pound cans every twelve hours. The company is capitalized at $100,000.

The Supreme Court has decided that members of either branch of the legislature of 1905 are ineligible to appointment to the board of control provided for by the Buckman bill.

Who says a nigger can't get "justice" in Florida? Jake Bradford, convicted at Jacksonville of murder, was given a new trial, when the jury disagreed. Bradford is alleged to have made several confessions. His third trial will be held during the November term.

The special grand jury at Tampa failed to find a true bill against the man Knapp who shot and killed Police Captain Carter, and Knapp has been discharged from custody. Must have been something in the evidence not intended for the public.

J. L. Wheeler and Mary Hunter of Tampa were arrested for disorderly conduct while on a Tampa street car. They were lovers and only did a little embracing and kissing. When brought before the judge that official married them and discharged them from custody. The couple etained they were on their way to secure a marriage license, and embraced the opportunity offered by the car seat to show their joy at the near approach of the wedding.

A Pennsylvania syndicate has purchased 8,000 acres of timber lands in DeSoto and Lee counties, south of Punta Gorda, for which $150,000 was paid. It is stated that the land was purchased as an investment.

JUST WHAT EVERYONE SHOULD DO.

Mr. J. T. Barber of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and darrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by Ackerman & Stewart.
