#### An Automobile Line.

It is pretty well understood that a new franchise will not be granted the Palatka and Heights Street R'y. company.

The council committee has outlined the kind of a franchise it is willing to give and this is not acceptable to Mr. Craig. A public sentiment is going to sustain the council to the extent of having the right kind of a street railway or none.

But an automobile line:

Local capitalists have determined that as soon as the pavements are down they will establish a fast automobile line. A heavy car capable of carrying a dozen or fifteen passengers will be built to run between the depots and the hotels, down Lemon street and picking up passengers along the route who may want to make a train.

It is figured that this can be done at a profit on a five cent fare, with possibly a 10 cent fare to all who may want to go to residences on side streets.

So really it will be just as well for Palatka not to have a street railway.

#### The Show is Coming.

A Great and Honest Show is the title that Sun Brothers, owners, of Sun Brothers' Newest Railroad Shows, Trained Animal Exposition, have justly earned. The performances seen in its ring and on its elevated stages are acknowledged as the epitome of excellence, while the department of the attaches is such to be far beyond reproach. Innovations and bold enterprises have stamped the present tenting season as the most remarkable in the history of this great amusement institution. The Sun Brothers' Shows will exhibit at Palatka on Wednesday December 20.

Two performances daily, rain or shine, 2 and 8 p. m. Watch for grand free street parade day of show at 12 o'clock noon.

For sprains, bruises, burns, scalds and similar injuries, there is nothing so good as Chamberlain's Pain Balm. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one-third the time required by the usual treatment.
