The people of Lakeland will have the opportunity of hearing a sermon delivered in German Sunday morning if they attend the Lutheran services in the VanHuss hall. Rev. Techlingberg, of South Dakota, will deliver the sermon, which will be spoken in the German tongue, the songs also being sung in German. The public is invited to be present, and especially all German speaking people, whether they be Lutheran or not.

EDISONIA

Bear in mind the illustrated lecture on "Dante's Inferno," March 6 and 7.

Mr. C. A. Cole and Mr. G. N. Funk have severed their business relations in connection with Funk Jewelry Co., Mr. Cole purchasing Mr. Funk's interest in the business, and the latter left yesterday morning for his old home in Iowa, much to the regret of the many friends he has made since coming here. Mr. Funk is a fine young man and was quite an addition to business and social circles of the city, and will be greatly missed.

NEW AUTOMOBILE AGENCY.

I am preparing to open an automobile agency in Lakeland, having closed contracts with the Penn Motor Car Company, who are manufacturers of the best cars on the market.

I will handle roadsters and touring cars, etc. Cars are nobby in appearance, but their chief claim to favor is satisfactory service. Ask Dr. Griffin, who has had one in almost perpetual motion for several months. Mr. Barhite has one also, and Dr. C. W. Love, has just received an elegant roadster.

If you contemplate buying a car, let me make you prices. A beautiful roadster is the only car in stock at present.
