WHILE BASEBALL PLAYERS TAKE LIFE EASY, MANAGERS PERSPIRE

This is the season of the year when the ball players stay out as late as 11 o'clock and go to nickel shows and just carry on if they want to. They can chew tobacco and curse and not care whether the alarm clock goes off or not.

"Aw, git off the luch," I say to him. "Pull ashore yer boat's leakin' I had this bag and was gittin' thirsty when the ball got there."

Here's a hunch!

P. A.'s got a bunch of imitators—right smart proof it's all wool and a yard wide!

Two things are never counterfeited—plugged nickels and ordinary tobaccos! Prince Albert sort of upset the fashion in pipe and cigarette tobacco, because it won't sting your tongue (bite's cut out by a patented process), because it tastes delicious and because it has fragrance that makes it welcome in any home or office.
