PEACE IN MEXICO WITHIN TEN DAYS

Explanation of the Recent
Governmental Changes
Made by de la Barra.

HE DECLARES THAT PEACE IS ASSURED AND THAT DIAZ WILL RESIGN AND AN ELECTION WILL BE HELD WHEN SUFFRAGE WILL NOT BE CONSTRAINED—LIMANTOUR WILL BE A CANDIDATE.

San Antonio, March 28.—Explanation of the recent governmental changes at City of Mexico, recall of Limantour from Paris, the arrival of Francisco Madero, Sr., and his son, Gustavo, in this city and the departure of De LaBarra from Washington for the new position in the Mexican capital, were all explained today in interviews with Don Francisco and Don Gustavo. Tentative peace proposals have been made and on the administration side have been acted upon.

In the view of Francisco peace is assured. If not within ten days, within a month at the furthest. Diaz, it is reported, in a message to the Mexican congress, will insist that peace be concluded. One of the basis of concessions, it is believed, will be the resignation of Diaz and the holding of an election where suffrage will not be constrained.

Diplomatic exchanges had proceeded sufficiently, Senator Madero, added to make it safe to state that the office of vice-president, for the time being, at least, and at present occupied by Senator Corral, whom he called obnoxious, would be abolished.

DIAZ WILL RESIGN.

The predicted resignation of Corral will leave the functions of the office of vice-president to the new foreign minister, de la Barra, Senator Madero said. Diaz will save his face by remaining in office for four or six months and then resign. He will plead the weariness of his many years. It will then fall to de la Barra to become de facto president and to call an election. The administration party it is said and believed by Senator Madero, will choose Limantour, the minister of finance, as its candidate for the highest office in the land.

Senator Madero said he was not certain whether Limantour would accept the nomination, but believed that it would be tendered him. He said that the meeting place of the plenipotentiaries had not been determined upon, but that probably it would be at San Antonio.

News that Senator Madero had stated that the struggle in Mexico was about to end was received with the greatest pleasure by Americans here, who have money invested in the country south of the Rio Grande, and by Mexicans who have risked their all in the fight to bring official Mexico to a belief in the claim that the Mexican people, brought out of bondage by a benevolent despotism, are now ready and capable of taking the reins of government into their own hands.

Senator Madero, accompanied by his son, Gustavo, arrived here this morning and repaired to the home of his son Alfonso. At first he declined to receive reporters, but this afternoon changed his mind and made the announcements given in the foregoing. The interview was brief. Senator Madero was then whisked away in an automobile, but the purpose of his leaving was not stated.

SENOR DE LA BARRA, THE NEW FOREIGN MINISTER, IS EXPECTED TO ARRIVE ON A TRAIN DUE HERE TOMORROW. WHETHER HE WILL STOP FOR A CONFERENCE COULD NOT BE LEARNED.

BANK FAILS.

Knoxville, Tenn., March 28.—A special from Bristol, Tenn., says: The Citizens Bank was today placed in the hands of E. K. Bachman, as receiver, upon application of R. L. Blevins and others, who filed a bill in chancery court alleging the bank was insolvent. It is charged that the bank had loaned almost its entire capital stock of \$100,000 to a lumber company.

STEAMER AGROUND.

Cape Hartley, Hayti, March 28.—The German steamer Allemania of the Atlas Line, which sailed from New York last Thursday for Hayti, is aground off Pointe Mardi Gras and in a dangerous position. Her ten passengers are safe.

Secret Service Men Expect to Explode a "Black Hand" Bomb

Chicago, March 28.—United States secret service operatives are about to explode a "black hand" bomb that is expected finally to bring to justice of rovers and members of the body that in a little more than 100 years has claimed more than forty lives and caused a reign of terror in the Italian district here.

The threat upon the life of Judge K. M. Landis, of the United States district court, it was learned yesterday was but one feature of a program of threats and blackmail that has been carried into the midst of the government's department of justice in Chicago.

LEGAL BATTLE IN COX CASE COMPLICATED

THREE JUDGES ARE SWORN OFF THE BENCH IN THE CASE OF THE CINCINNATI BOSS—PROCEEDINGS AGAINST TWO MORE JUDGES STARTED.

Cincinnati, O., March 28.—There appears that in all probability the legal tangle preceding the trial of George B. Cox for perjury will reach the supreme court of Ohio within a day or two. This deduction comes from a move made today by attorneys for Cox, after Judge Swiney, Smith and E. A. Jones had been ruled off the bench by Presiding Judge Thomas A. Jones.

The first step today was a decision handed down by Presiding Judge Jones that Judges Swiney and Smith, against whom affidavits, charging prejudice and bias in favor of Cox had been filed by Prosecutor Hunt, must vacate the bench. The affidavits, filed by Cox's attorneys, asking for the elimination of Judge E. A. Jones was then made and promptly sustained by the presiding judge. Hearing on the mandamus proceedings against Judge Chas. Hunt and the injunction prohibiting Judge Gorman from trying the Cox case were then begun. After the end of the arguments the court announced he had taken the case under advisement. Meantime attorneys for Cox had given notice of appeal to the supreme court of Ohio.

LUCKENBACH IS STILL AGROUND

REPORTS ARE SHE IS IN A SERIOUS PREDICAMENT AND TUGS CANNOT GO TO HER ASSISTANCE.

Tampa, March 28.—The steamer D. N. Luckenbach is still aground on the reefs of the New Ground shoals tonight and reports from Key West indicate the vessels is in a serious predicament.

The treacherous nature of the coral reefs in this vicinity makes it a perilous undertaking for vessels of sufficient size to be of use to the Luckenbach to reach her. Available tugs from Tampa have been summoned to the assistance of the steamer.

BELIEVED STEAMER LOST WITH ALL HER PASSENGERS

Brisbane, Australia, March 28.—Cargo from the overdue interstate steamer Yonagal, bound from Townsville to Mackay with 68 passengers and a crew of 70, was washed ashore today.

It is feared that the vessel has been lost. The Yonagal is owned by the Adelaide Steamship Company of Adelaide. She was built at New Castle in 1903 and registers 1,825 tons net.

THE MADEROS HAVE REACHED SAN ANTONIO

San Antonio, Texas, March 28.—Francisco I. Madero, Sr., and Gustavo Madero, respectively father and brother of the Mexican insurrecto leader, Francisco I. Madero, Jr., arrived here today. They went at once to the home of Alfonso Madero, whose home is here and where the local junta meets.

The Maderos said that the reunion was a purely personal affair, but the impression prevails that matters of moment are to be considered in connection with peace proposals.

TOM JOHNSON, ON VERGE OF DEATH, DISOBEYS PHYSICIAN'S ORDERS

Cleveland, Ohio, March 28.—Despite conflicting rumors concerning the condition of former Mayor Tom L. Johnson and the anxiety felt by his friends, no definite statement as to his condition today was issued from the sick room.

"He is as well as he was yesterday," came the announcement. A report in general circulation is that Mr. Johnson is growing weaker.

BANK ROBBERS TELEGRAPHERS ARE SUCCESSFUL TO QUIT WORK

Nashville, Tenn., March 28.—A special from Carthage, Tenn., says: After blowing the Bank of Lancaster, at Lancaster, this county, at 1 o'clock this morning, exchanging volleys with the cashier, W. T. Simpson, and shooting up his home, four robbers escaped, carrying with them approximately \$5,000 in money.

The robbers, before beginning operations, cut all wire communications with the outside world.

PITTSBURG WILL DEMAND A COMMISSION GOVERNMENT

Pittsburg, March 28.—A special train carrying 250 representatives of civic and business organizations left here today for Harrisburg, where they will appear before the legislature this afternoon demanding the enactment of the "Pittsburg plan." Under the proposed plan Pittsburg would have government by commission, with the referendum, initiative and recall as features.

CAMORRISTS AGAIN ON TRIAL

THE INFORMER, GENNARO ABATEMAGGIO, CONTINUES HIS REVELATIONS OF CRIMES OF THE BAND.

Viterbo, Italy, March 28.—The trial of the Camorristi, the adjournment of which on Friday interrupted the recital of the informer, Gennaro Abatemaggio, was continued today.

Continuing his revelations today, Abatemaggio described a burglary committed by the Camorristi at the home of Count Dauquino in Naples, in which he participated. There was a quarrel over the division of the booty, which amounted to \$20,000.

The leaders in the Camorra, including Cuocolo, for whose murder the thirty-six prisoners are being tried, Enrico Alfano, the alleged head of the organization, and De Marina, demanded so large a share of the spoils that none of those who actively participated in the crime received more than \$50. One Camorrist, who got nothing, denounced the burglars to the police and some of them were imprisoned.

Believe This to Be Best Method of Paying For County Jail.

LARGE NUMBER GATHERED AT THE COURT HOUSE YESTERDAY AFTERNOON AND DISCUSSED THE MATTER, BEING UNANIMOUS IN THE OPINION OF THE BOND ISSUE AND REQUESTING SPECIAL ELECTION.

At a meeting of the board of county commissioners held yesterday afternoon, at which quite a number of citizens and tax payers of the county were present, it was decided to issue bonds to pay for the construction of the county jail building now nearing completion.

A number of the citizens present made short talks in which they expressed themselves as favoring the issuing of the bonds for the necessary amount of money to pay all indebtedness on the building, and after hearing a number of these expressions, an motion of Thos. C. Watson, it was unanimously voted to request the commissioners to call an election for the purpose of submitting the bond issue.

It was stated by the chairman that the total amount necessary for the completion of the building would be approximately \$200,000. This includes the furnishing of the building. The chairman also stated that the board had borrowed \$80,000 from a local bank in order to meet the payment of the first installment of warrants, which falls due on April 1.

The matter was fully discussed and the laws relating to the issuing of bonds was read and explained by the county attorney, R. Pope Reese, and various questions were asked and answered on the subject.

A USELESS EXPENSE.

Some of those present stated that they had deemed it unwise at the time of the commencement of the jail building to build this jail, while others thought it unnecessary to still retain the present court house property, but all were of the opinion that as matters now stand the bond issue is the proper thing.

Among those present who made talks favoring the bond issue were: John E. Stillman, C. A. Dexter, Dr. F. G. Renshaw, R. Pope Reese, A. V. Clifton, A. M. Avery, W. K. Hyer, S. C. Pinney, F. C. Brent and Thos. C. Watson.

The term for which it is proposed to extend the bonds is thirty years, and the election will be called as soon as it can be legally done. It is necessary to advertise the election for thirty days, and the clerk will make out the advertisement and begin the publication of it within the next few days.

MAY ISSUE OTHER BONDS.

Immediately after the adjournment of the meeting with the citizens, the board went into another session and G. A. Waterman, secretary of the Commercial Association, addressed the board and asked that a committee from the members of the board of county commissioners be appointed to confer with a committee from the Commercial Association in regard to having an election for the purpose of issuing bonds to raise money for the road and bridge fund of the county.

It was agreed to appoint the committee and the chair appointed Commissioners Arthur Davis and Peter McLellan on the committee to confer with the committee from the Commercial Association.

No date has been set for this conference, but as it is the desire of all parties concerned to include this proposition in the call for the other election, if possible, the meeting will probably occur within the next day or so.

St. Petersburg, March 28.—The Russian foreign office has telegraphed the Russian minister at Peking that China's reply to Russia's ultimatum is satisfactory and expressing the emperor's gratification over the happy termination of the negotiations.

It is expected the case will be carried to the United States supreme court.

COUNTY BOARD REJECTS BIDS FOR JAIL FURNITURE

Proposal of Marston & Quina Over \$4,000 Lower Than Ohio Firm.

ONLY TWO BIDS WERE RECEIVED, AND THEIR REJECTION FOLLOWED A LONG EXECUTIVE SESSION—REASONS FOR REJECTION NOT MADE ENTIRELY CLEAR TO THE PUBLIC.

After having been in executive session for more than three hours yesterday afternoon, the board of county commissioners, for reasons which were not made entirely clear to the public, rejected both of the bids submitted for supplying furniture for the new county jail building. There were only two bids submitted, the board having failed to provide copies of the plans and specifications for this work except at the expense of the bidder.

The two companies bidding on the proposition were the Van Dorn Iron Works, of Cleveland, Ohio, represented by Marston & Quina, local agents, and the General Fireproof Co., of Youngstown, Ohio. The bid of the Van Dorn Co. was for \$8,760, and was accompanied by a certified check for 25 per cent of the amount. The bid of the General Fireproof Co. was for \$13,400, the bid of Marston & Quina being over \$4,000 lower than that of the other company. These bids included venetian blinds.

The Blount Construction Co. was awarded the contract for furnishing the Venetian blinds for the jail offices, amounting to \$456. Both of the other bidders submitted proposals for these blinds, but that of the Blount company

MESSAGE WILL BE SHORT ONE

PRESIDENT TAFT WILL DEAL ONLY WITH THE RECIPROCITY QUESTION IN MESSAGE TO CONGRESS.

Washington, March 28.—Taft's message to the extra session of congress which will be convened Tuesday will be exceptionally brief. He has decided to deal only with the reciprocity agreement with Canada.

Later the president may send another message urging the enactment of law making the tariff board a permanent institution. He has been assured by the temporary board that it will be ready with a detailed report on the textile schedules by December 1 and that the chemical schedule may also be ready.

Col. Roosevelt Warmly Defends Conversation of Natural Resources

San Francisco, March 28.—As a guest last night of the Fairmont Hotel at a family dinner of the Commonwealth Club, 700 of whose members were present, Colonel Roosevelt warmly defended conservation of natural resources.

He upheld the nation's right to safeguard the forests and water power if interference with the states proved necessary, but declared he was not opposed to the doctrine of the states' right to protect its property so long as it did so.

"Shall we surrender our Alaskan lands? If so, to whom? To that inefficient aggregation known as the Guggenheim syndicate of Colorado and the Morgan syndicate of New York? Thus it is the interests of matters of local im-

portance and self-government we are asked to turn over Alaska's great resources to capitalists of Colorado and New York?"

He wished, he said, "to save wealthy men from the ruin they would bring upon themselves if they could have their way in monopolization; it is because I am against revolution and the doctrine of the extremists among socialists and because I wish to secure this country against the time when the Have-Nots shall rise against the Haves that I want to see the doctrine of conservation prevail in order that the whole people shall enjoy their possessions instead of permitting a few men to create a monopoly on them that would result in a reign of violence and disorder."
