### The Doctor Away from Home when Most Needed

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like croup colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now, it may save life. For sale by D. G. Smith.

Yellow fever is officially reported in Cuba.

I. N. Kelley, of Nashville, Tenn., writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and could consider myself only ordinarily well. I was induced to try Foley's Kidney Cure, and I honestly say that two bottles of it did me more good than all the medicine I had taken before." Sold by D. G. Smith.
