Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. D. G. Smith.

Barton Rye, who is the secretary and treasurer of the county organization of Farmers Unions, was around Saturday collecting from the citizens of Madison the amounts severally subscribed by them for the building of the cotton warehouse. We are glad to know that the subscriptions were liberal and the people were glad to aid so good a cause.

The Madison county branch of the Florida Island Cotton Growers Association held a called meeting in the court house last Saturday and elected delegates to the inter-state meeting which will be held at White Springs to-morrow. Action was also taken looking toward an operation between the association and the Farmers Union organization in this county.

You're Not so Many.

Say, when you think you own the earth, And by some right of royal birth, You think you are of nobler blood Than those of us who're made of mud, And by that are the best of any, Go count yourself—you're not so many.

Say, when you feel that you are what The vast majority of men are not And cannot be, because your make Is far superior to theirs, please take A little tumble, if there's any, And count yourself—you're not so many.

Say, if you have an idea that You of us all know where you're at, And while mankind remains in doubt You know just where you're coming out; Collect your wits, if you have any, And count yourself—you're not so many.

Say, brother, if you have the gall To think you really know it all; To feel that you are better than The ordinary average man, And that hereafter you will rise To higher glories in the skies Than those who do not have a penny, Go count yourself—you're not so many.

—J. Lampton in N. Y. Herald.

The way to get rid of a cold, whether it be a "bad cold" or just a little one, is to get it out of your system through the bowels. Nearly all Cough Cures, especially those that contain opiate, are constipating. Kennedy's Laxative Cough Syrup contains no opiate and acts gently on the bowels. Pleasant to take. Sold by W. B. Dear Sir: Every job Devco is done with less gallons than ever before with any other paint.

S. J. Field, Indianola, Fla., says: "All houses here are painted Devco. The hot air is too trying for other paints. One coat Devco is better than two of any other paint, so far as we know." Less gallons, less cost.

Yours truly,
 F. W. DEVCO & CO.
