The Woman's Club Building To Be Moved Back; No Meeting Tomorrow

The Woman's Club will not hold their regular meeting tomorrow owing to the fact that the Club House is to be moved back on the lake shore, and will not be available for the meeting.

The necessity for moving the Club House was found urgent owing to the fact that it must be fifty feet from the Elks Home in order for the latter building to get the proper insurance rating. The members of the Club have arranged for the building to be moved back to the lake, and the grounds will be graded and leveled, and put into an attractive lawn, making of this a real beauty spot.

Large Attendance at Meeting Of Tourist Club

The large number in attendance yesterday at the Tourist Club bespeaks the popularity and success of this enterprise. Seventy ladies from the different States of the U. S. met with Mrs. Martin in the Raymondo building, bringing with them their needlework and that weapon accredited to women (their tongues). A jolly good time they surely had and it is a fine way to help the tourists meet and form new acquaintances.

This is a weekly occurrence, and Lakeland ladies are opening their homes for such gatherings, thus showing our hospitality.

Next Tuesday being Lincoln's birthday, there may be no meeting of this club, but the following Tuesday, Feb. 19, Mrs. A. C. Shaffer will entertain at her home, Morton Drive 709.

W. M. U. Meeting

The W. M. U. of the Baptist church held their monthly business meeting Monday afternoon in the Junior room, with twenty ladies present. After the business session, Mrs. Harnley conducted the Mission Review for January, which was very helpful and interesting.

T. E. L. Class

All the members of the T. E. L. Class are expected to be on hand Thursday afternoon at 2 o'clock at the Red Cross rooms and get their new work. We have promised one hundred pieces for February and your help is needed badly.

REPORTER.

Miss Mary Groover read between acts at a local talent entertainment at Plant City on last Friday night, and of her work the Plant City Courier says:

"Miss Mary Groover, of Lakeland, whose generosity can always be counted upon in entertainments of this worthy nature, gave a reading of Dickens' 'Execution of Sidney Carton,' which was so heartily received that she responded with the ever-popular 'The Goblins Will Get You.'"

"OVER THE TOP."

(By R. A. Ward.)

"Somewhere in France the 'Sam-mies'

And the 'Tommys' are fighting together,

With weapons in hand, together they stand,

In all seasons and all kinds of weather,

They crowd in the trench with their allies, the French,

And refuse to falter or stop,

And constantly waiting the word of command,

"Over the top, boys, over the top."

Like a swarm of hornets they rush at the foe,

Regardless of shell or of shot;

They may take a few yards of the enemy's trench,

But dearly such victories are bought,

The ground may be strewn with the wounded and dead

By the bombs which the enemies drop,

But the only way to conquer the Huns

Is to go for them "over the top."

We have foes engaged in the battle of life,

Who defy us like Goliath of old;

The list of their crimes and foul misdeeds

Can never by mortals be told.

We may have some success in "sniping,"

And may cause some airships to drop,

But we can never hope to destroy them.

Without rushing "over the top." Lakeland, Fla.

SERIES MEETINGS BEGIN TONIGHT AT FIRST BAPTIST CHURCH; REV. DEW TO BE IN CHARGE

Tonight there will begin at the First Baptist church a series of meetings, to be conducted by Dr. and Mrs. J. H. Dew.

The services will continue twice daily at 3 p. m. and 7:30 p. m., the first day service being tomorrow afternoon.

Mr. Dew comes highly recommended as a great preacher and Mrs. Dew as a sweet singer. Rev. Wear, pastor of the church, wants all the members of the church, the Sunday school, the visitors and all unsaved people in the city, to hear Dr. Dew preach and Mrs. Dew sing the gospel.

The Lakeland Golf Club is holding a selected hole contest which will end March 1. Many members have entered.

The scores to date are:

W. W. Chase	35
Dele Williams	38
Anton Schneider	39
C. P. Fuller	42
B. E. Betts	44
C. M. Clayton	46
C. O. Pinch	43
L. W. Cottman	41
M. Agress	61
J. R. Weeks	59
Lanier	58
C. H. Williams	37
W. Clarke	39
W. Todd	37
C. Pearce	42
F. Benford	45
R. Thornton	45
H. Edmonson	53
G. L. Palmer	55
W. L. King	52

Many visitors are enjoying the course and its condition continues to improve. Each week sees new breakers and hazards being built.

The Anderson brothers, professionals of New York City, who are touring the South, expect to reach Lakeland next week, where they will stay over at the club for a few days. Some exhibition matches are being arranged.

Course at Brewster.

The Cynamide Phosphate Co. of Brewster are having a golf course made for their employees, under the direction of Anton Schneider.

W. H. Lundberg, the Lakeland professional, has laid out the course and is superintending the work. There are nine holes situated near the center of town and adjoining the club house.

Although the members of the company are playing now, the course will not be in condition until early in the fall. The length of the course is approximately 2,000 yards.

MEETING NOTICE

Preaching tonight in the park again, at 7 o'clock, sharp.

All are invited to attend, especially the strangers and sinners. And after today we will have two services daily—at 2:30 p. m. and at 7 p. m.

One Bro. Clark from the Northwest, will have charge of the music. J. H. ELLIS, Evangelist.

MIAMI PIONEER BURIED

Services were held yesterday afternoon over the body of A. K. McMullen, a pioneer resident of this community, who passed away on Saturday. Members of the Elks' lodge acted as pass bearers and Dr. J. L. White, pastor of the First Baptist church, officiated at the services from King's undertaking chapel and at the graveside in the city cemetery.

Mr. McMullen passed away Saturday after suffering for many years

E. N. GOOD AND W. T. SAMMON ARE ELECTED ASS'T CASHIERS FIRST NATIONAL BANK

At the regular monthly meeting of the directors of the First National Bank, held yesterday, deserved recognition was given the faithful and efficient services of two of the attaches, when Mr. E. N. Good and Mr. W. T. Sammon were each advanced to the position of assistant cashier.

Messrs. Good and Sammon have been with the First National for about five years. Mr. Good has charge of the collections, all matters in escrow and general supervision over the book-keeping of the institution. Mr. Sammon is the Paying Teller. Both of these gentlemen discharge their duties in a manner that not only is highly satisfactory to the bank management, but which makes them popular with the public, and gains friends for the institution. Both will continue the same line of duties as heretofore. Their friends will learn of their promotion with much pleasure.

At yesterday's meeting the statement made to the directors showed resources of one million four hundred thousand dollars, the deposits reaching the magnificent figure of one million one hundred and fifty thousand dollars.

DR. HALL GAVE FINE LECTURE LAST NIGHT

Dr. W. E. Hall, a lecturer of nation-wide prominence, pleased a large crowd at the Christian church last night when he gave one of his humorous lectures on "The Evolution of a Girl." Dr. Hall, during the many years he has traveled and lectured, has covered 950,000 miles and everywhere he goes he leaves sunshine behind him.

He gave, as he explained, a moving picture of a girl—taking her at six months, and on up through the various ages until 65 years was reached, and he left in the minds of all the really worth-while, lovable girl, who was not the dancer and card player, but the domestic, home-loving, literary, talented young woman, who makes homes and hearts happier for having known her. His lecture was interspersed with witticisms, and was much enjoyed by the large crowd present. Quite a neat sum was made by the sale of tickets.

The Christian church is making great progress under the leadership of Rev. Chas. H. Trout. The church debt has been paid, a new addition to the church has been made, providing seating capacity for nearly 200 additional scholars, which has been paid for, and the Sunday school is now buying a piano. Such a record in so short a time is one of which to be proud.

with tuberculosis. Besides his widow he is survived by three children, Alva, aged 15 years; Gladys, aged 13, and Wilhelmina, years of age, and two brothers, C. E. McMullen of Lakeland and H. A. McMullen of Lindsay, Cal., and one sister, Mrs. S. D. Futch—Miami Metropolis.

FOR COUNTY COMMISSIONER

Having been asked by numerous friends to offer as a candidate for County Commissioner from this district (No. 5), I hereby announce my candidacy and will appreciate the support and votes of the electors, promising to use my best effort to look after their interests if elected.

Very respectfully,
R. L. MAVES.

John Lawrence and daughter yesterday from Arcadia to Lawrence's father, Mr. who owns property south of

Wallace Wear has been in the past two days at a board meeting of the State Board of Baptists. This board is taking over the Baptists and publishing it under the name of the State Board of Baptists. It will be moved from Arcadia to Jacksonville.

General services over the remains of William Nelson were held at the Gentry Hotel. The little one was of age, and had been ill only a few days. He was the son of Mr. and Mrs. Nelson, who arrived here on a visit to Mrs. Hall's parents, Mrs. John X. Petersen. Arrangements, they have the remains placed in a vault, and moved north in May.

Mrs. E. J. Elliott, of Dell Beach, and Mr. and Mrs. Max S. D. and Mrs. S. D. are in being shown about by Will who is also from South Beach. The former are at Tampa and are returning for the winter, but are well pleased with Lakeland. They are coming back to spend the winter, and look up a home for the future. Climate, and all conditions in Lakeland is the best they have found. Mrs. Elliott is one of the county millers and says a good location here for a

In this issue we present the annual report of Mr. R. L. Maves as a candidate for County Commissioner in the 5th district. Mr. Maves' fine and splendid character are too well known to need any comment. We believe it may be truthfully said that if Mr. Maves is chosen he will do his duty as a citizen without fear or favor, and will use his utmost endeavors to be efficient and conscientious in his service. We are sure his will be well received by the people generally.

At 1:15 the fire alarm department being called to the scene of Myrtle street and Avenue, where a house occupied by Mr. Walter and family was a flames. The fire had progressed so far when discovered by them that they barely escaped with their lives, according to their own statement, the person sending in a fire had to run four blocks to get the fire house, which was almost lost by the time the fire department reached the scene. The house was completely destroyed and the household goods. The fire was caused by a gas stove. The fire was caused by a gas stove. The fire was caused by a gas stove.
