## The Town Gossip

ONCE UPON a time.  
THERE WAS a young man.  
WHO WORKED very hard.  
AND GOT \$25 a week.  
AND HE fell in love.  
AND HE got married.  
AND HE had \$200 in the bank.  
AND HE worker harder.  
AND FIVE years later.  
HE WAS getting \$50 a week.  
AND STILL had \$200.  
IN THE bank.  
AND FIVE years later.  
HE WORKED harder than ever.  
AND OT \$75 a week.  
AND STILL had \$200.  
IN THE bank.  
AND WITH three children.  
HE MADE up his mind.  
HE WOULD have to work harder.  
AND HE set about doing so.  
AND FIVE years later.  
HE WAS getting \$100 a week.  
AND STILL had.  
\$200 IN the bank.  
THEN SOMEBODY in Europe.  
WAS BITTER by a mad dog.  
OR A tarantula.  
OR A gila monster.  
OR SOMETHING.  
AND BEGAN shooting.  
UP THE place.  
AND OUR hero.  
HAD TO work a little harder.  
AND AT that time.  
HE WAS getting.

\$135 EVERY week.  
AND STILL had.  
\$200 IN THE bank.  
AND THEN peace came.  
AND HE up and said:  
"NOW I'LL save some money.  
"FOR THE first time.  
"IN TWENTY-FIVE years."  
AND HE worked.  
A LITTLE harder.  
AND GOT \$150 per week.  
BUT DIDN'T have.  
AS MUCH to eat.  
NOR CLOTHES one-half as good.  
AS HE had.  
WHEN HE was getting.  
ONLY \$25 a week.  
AND DIDN'T have.  
\$200 IN the bank.  
AND OUR hero muttered:  
"SOME TIMES are good.  
"AND SOME times are rotten.  
"AND SOME times are.  
"GOOD AND rotten.  
"AND THESE are them."  
AND THERE'S a lot of us.  
WHO'LL AGREE with him.  
I THANK you.

## FLORENCE OIL COOK STOVES

More Heat  
Less Care

WILSON HARDWARE COMPANY

A FLORENCE is a triple blessing—bakes, cooks and roasts and does it easily and at the same time. No ashes, no smoke, no fires to poke, no dampers to regulate. No wicks, no valves. Burns kerosene.

Come in and see how simply this oil stove works; how the intensely hot blue flame means more heat and less care. Let us show you why the Florence Portable Oven with its baker's arch assures even baking, tempting pastries and well-browned roasts.
