COOK.

Cook, May 30.—Messrs. Cox, Nichols and Chason visited Panama City Tuesday.

Postmaster J. J. Fowler had business at the hub last week. While there he assisted in celebrating the recent victory of that thriving city in her race for permanent county seat.

Messrs. Geo. B. Ham, Tom Hoodfield and J. I. Brown were among those of Cook who visited Panama City Tuesday in celebration of her decisive victory for permanent county seat.

Mr. John Tipton, one of Cook's bustling citizens, has just returned from a business trip to points in Georgia. John says he loves his old home and delights to visit his boyhood home and friends but there's no place like St. Andrews Bay especially Cook.

Mr. Chas. Walters, one of Cook's bachelors has recently returned from a trip to Pennsylvania and reports an enjoyable time among his old friends.

Mr. Jas. A. Chason and son Ira made a trip up East Bay Tuesday taking a cargo of soft drinks, ice etc., to the dredge Blackwater.

The citizens of Cook, in fact of the entire east arm of St. Andrews bay, are well pleased with the result of the recent struggle between Panama City and St. Andrews for permanent county seat honors. The best place, the most logical point on the bay was victorious and we are proud of our little mite in making the victory possible. It is now the idea for everybody, victors and vanquished to put their shoulders to the wheel and make St. Andrews county what she naturally is, one of the best on the gulf coast. The water is here, the land is here and the opportunity now at hand to make, not only Panama City but every city and hamlet on our shores, as well as those of the interior come to the front and

"TIZ" draws out the acids and poisons that puff up your feet. No matter how hard your work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. "TIZ" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight. Clifford McKinnon, Louis Hilbert, Durward Johnson and Herbert Pierce, went from here Tuesday evening to attend the commencement exercises at Musogee Hall.

A small tenant house belonging to Mr. Robert McKinnon and occupied by negroes, was burned to the ground last night. The occupants saved nothing but one small trunk, and had such a narrow escape with their lives, that one of the negro's hands and head were scorched by the fire. Its origin is not known.

Mr. D. McCurdy of Flomaton, was here Tuesday.
The Misses Henderson attended the political meeting at Walnut Hill Saturday night.
M. John Glass of Pineville, was a caller here Tuesday.
