#### Prove What Swamp-Root Will Do For You

When your back aches, and your bladder and kidneys seem to be disordered, remember it is needless to suffer—go to your nearest drug store and get a bottle of Dr. Kilmer's Swamp-Root. It is a physician's prescription for diseases of the kidneys and bladder. It has stood the test of years and has a reputation for quickly and effectively giving results in thousands of cases.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention The Atlanta Daily Journal. Regular fifty-cent and one-dollar size bottles for sale at all drug stores,- (Advt.)

### ATLANTIAN OFFERS NAVY METHOD OF ELIMINATING **MENACESTOSUBMARINES**

C. H. Everett, the Inventor,

ed States navy electrical and engineer-ing experts are investigating the ining experts are investigating the invention of an Atlanta man that is designed to eliminate the chief dangers of submarine navigation. C. H. Everett cannot be too highly commended for the splendid patriotism that has prompted him to bring the interest that has prompted him to bring the matter first to the attention of the United States navy because he feels it to be the patriotic duty of every American citizen to aid the government in the present crisis. The formation and presence of hydrogen and chlorine gases in submarines

By vent the most careful investigation. There is a postcard showing Wanders well and Enden standing together, and another showing a girl in high boots, khaki skirt and campaign hat. The newspaper clippings contained a story about Wanderwell and this girl, whose name has been withheld. According to the newspaper story, Wanderwell met the girl in Chicago, married her and took her on a walking trip for a honeymoon. In San Francisco, states the newspaper clipping, she left him and either got a divorce or, at any rate, decided she loved Enden the better of the two, for she gen and chlorine gases in submarines is recognized by naval officers as the greatest danger in the use of undersea craft. One or the other of these gases has been responsible for practically every submarine disaster in naval oper-The destruction of the E-2 due to the formation of hydrogen gas from its storage batteries.

Everett has been working on his in vention for years, and at last has dis-covered a practical means of overcoming the danger of hydrogen and chlorine aboard submarines. He recently in-formed Senator Hoke Smith of his invention and offered to donate it to the United States navy. The senator laid the matter before Secretary of Navy Daniels, and the secretary, in turn, advised Admiral Griffin, chief engineer of the navy, of the Everett invention and generous offer. He also wrote to Everett a letter commending him for his generosity and promising a speedy and complete investigation of the in-

#### SUBJECTS OF KAISER THOUGHT TO BELONG TO ORGANIZED BAND

(Continued from Page One.)

Coutandin's application was taken out September 8, 1915, in Cook county, Illinois, before Richard J. McGrath, clerk Cut Off Exports of Sup-

He came to America, said the applica-tion, from Hamburg, on board the steamship "Vaterland," (probably the vessel's last transatlantic voyage, as it

Germany.

Both declared their intention to be-

nine months as assistant chef in a country club near Chicago. In Wanderwell's effects was a handme album, "made in Germany," containing pictures of the kaiser and the royal family; Francis Joseph, of Aus-tria; commanders of the German and pers, all of them lampooning England and the allies.

HIKING IS POPULAR.
The most significant feature of the Germans' baggage was the number of nal correspondent that the electrical engineers of the navy were delighted with the possible elimination of the dangerous gases, as claimed by Everett pings which seem to connect them with

Which Hydrogen and Chlorine Gases May Be Prevented

BY BALPH SMITH.

WASHINGTON, Harch 21.—The Unitation of the States navy electrical and engineerin the submits them they will be given the most careful investigation.

I dangerous gases, as claimed by Everett of the search of the submits seem to connect them with other hikers.

One postcard, signed "A. T. Enden." showed a German wearing a khaki suit. It is said that Enden passed through Atlanta recensly. The name also corresponds to that of the man Wanderwell claims he is walking against and whose present whereabouts he says he does not strong the most careful investigation. given the most careful investigation.
"Mr. Everett cannot be too highly

Enden the better of the two, for she started walking with Enden.

Other newspaper clippings quote Wanderwell and the other hikers as declar-ing they were "walking for their health," and again, that they were interned German sailors and couldn't go back to their country. There is also a certificate to show Wanderwell served in the German army. This is directly contradictory to his statement to Atlanta news-paper men that he "did not believe in John 14:1-14. Golden text: 'Jesus said unto him, I am the way, the truth, and the life, no man cometh unto the Father, but by

war" and fied from Europe as fast as he could when the war broke out.

There are pictures of Coutandin with several other hikers besides Wanderwell, and pictures of Enden with men who are neither Wanderwell or Cou-tandin. Altogether, the government of-

ficials have the names of about six men in the hikers' band. Wanderwell and Coutandin claim that fixion in the upper room in Jerusalem where He had partaken of the Passover supper with His disciples. Judas had taken the sop and gone cut. His where He had partaken of the Passover supper with His disciples. Judas
had taken the sop and gone out. His
departure seemed to give Jesus a freesom which He had not known before,
in which He reveals Himself to His
Eathful followers in a most intimate

### CARRANZA'S PEACE PLAN NOT APPROVED BY U. S.

Cut Off Exports of Supplies to Belligerents

WASHINGTON, March 20.—The note to General Carranza, declining his proposal for neutral action to bring peace to Europe by cutting off exports of sup-

apparent hopelessness of peace at prescome United States citizens. Further ent as shown in the futility of President light was thrown on their identity by Wilson's efforts and Germany's attempts other papers. Wanderwell had certificates of discharge which showed he was employed at various times during 1915 restriction of commerce with the hellig. of New York City. Coutandin had a certificate showing that he worked for discrimination. Nevertheless, the note concludes, "the

president would not be understood as juries. desiring to impede the progress of a movement leading to the resumption of peaceful relations between all the belligerents and would not, therefore, wish of about fifty miles an hour when suddenly the lights went out and the driver. royal family; Francis Joseph, of Austria; commanders of the German and Austrian armies; pictures of German Laustrian armies, pictures of German Laustrian armies and would not be the lights went out and the driver could not see what he was doing. The could not see what he was doing. The could not see what he was doing are respected in the laustrian armies; pictures of German Laus in skirmish line; pictures of German U-boats, and cartoons cut from newspaof other neutral governments in the use of their good offices and friendly mediation to bring about the end of the terri

ble war."
The note mentions the "careful and sympathetic consideration" which the United States have given to the propos-al, refers to the new vigor of the warfare, and goes on to say:
"To render the situation still more

acute, the government of the United States has unearthed a plot made by the government dominating the central powers, to embroil not only the govern-ment and people of Mexico, but also the government and people of Japan in war with the United States. At the time this plot was conceived the United States was at peace with the government and people of the German empire, and Ger-man officials and German subjects were not only enjoying, but abusing the liber-ties and privileges freely accorded to them on American soil and under Amer ican protection."

The note then takes up the proposal to cut off commercial relations with the belligerent nations and refers to the show the policy of this government in declining to stop munition shipments.

"Believing that this position of the United States in based on the Paring Attempt of In-United States is based upon sound principles of international law," the conclusion says, "and is consonant with the established practice of nations, the president \* \* cannot bring himself to consider such a modification of these principles or of this practice as com-

# IN AUTOMOBILE CRASH A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in

Mrs. Kieso Cured After Seven Month's Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my house work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—Mrs. Karl A. Kieso, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed. Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. Josie Copner, 1668 Harrison Ave.

Fairmount, Cincinnati, Ohio.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
