### COUNCIL BUYS THE TOWN A BIG CLOCK.

The Holes in the City Hall Tower to be Filled at Last.

### KENNON MOTT'S BID WAS ACCEPTED.

The Council Has a Busy Meeting and Passes on Several Important Matters.

The city council plucked up courage yesterday and did something which it has been expected to do for many months—bought a city clock.

Alderman Dan Krauss, who first introduced the resolution for the purchase of the clock, had encountered much strong opposition, but he hoped against hope and worked on his pet plan. Yesterday the matter was called up, and a resolution passed authorizing the purchase of the clock. The vote was practically unanimous.

The clock will be something of a monument to the young alderman who worked so hard for it.

The clock will cost \$1,200. It will be of the latest improved make, with four dials, striking the hours, half-hours and quarter-hours, and will fill in the holes in the city hall tower as they should have been filled in long ago.

Kennon Mott, the enterprising jeweler, will furnish and put up the clock, his bid having been accepted. The bicycle ordinance was read for the second time and was passed over to the next meeting for final action.

The following are the official minutes:

#### SHOT ON THE TRAIN.

A Waynesville Man Bound Over on the Charge.

Arch Crandall, a white man who lives at Waynesville, was before Justice Hitch yesterday, charged with two offenses. On July 19, Crandall left Brunswick for Waynesville on the Plant System train. He was under the influence of liquor, and acted in a riotous manner in the car, finally drawing a revolver and shooting it, to the great alarm of the passengers. Conductor Palin reported the case, and Crandall was arrested Wednesday night by Deputy Sheriff Taylor and Constable Denby, who went to Waynesville for him.

The state was represented by Assistant Solicitor Meader, the railroad by Col. W. E. Kay and the defense by Col. A. D. Gale, jr.

Judge Hitch bound Crandall over on two charges—carrying concealed weapons and shooting on a train. He furnished bond and was released.

#### DIED AFTER A BATH.

Sad Death at Cumberland of Mrs. Wooten, of Albany.

Mrs. C. B. Wooten, of Albany, Ga., was attacked with heart disease while under the shower bath at the ladies' bathhouse at Cumberland Wednesday afternoon about 6 o'clock, and was carried in a semi-unconscious condition to her room at the hotel, where she died in about five minutes.

Mrs. Wooten had been in the surf, and the water being unusually rough, she complained of feeling unwell and went to the bathhouse, where she took a shower bath. The shock of the cold water was too much for her and she fainted. Medical aid was administered by Dr. Hillsman of Albany, who was present, but his aid proved unavailing.

Mrs. Wooten's two daughters are with her at the hotel, and the family has the sympathy of all who are now at the hotel. The affair has cast a gloom over the entire community.

The remains were brought to Brunswick yesterday afternoon, and left last night for Albany, where they will be interred.

#### Lowry Here Yet.

M. Lowry has not been carried to the penitentiary. The old man who missed death on the gallows by a hair's breadth is still in his cell at the county jail. He thinks the governor was "very good" and does not appear to dread the ordeal of life imprisonment.

#### Robbed the Office.

Americus, July 29.—The freight office of the Georgia and Alabama railroad at this place was burglarized last night. The robbers have not been apprehended.

#### Augusta News Fails.

Augusta, July 29.—The Augusta Morning News suspended publication today and has been put in the hands of a receiver. Business Manager Mann is at Tybee.

### MOBILE'S REIGN OF BLOODY CRIME.

Three Murders in That City in the Past Twenty-Four Hours.

### MAY LYNCH NEGRO ASSASSINS.

"Pensacola Kid" Kills a Negro and Fatally Shoots a Pursuing Officer.

Mobile, Ala., July 29.—Two murders today, added to the sensational one of last night, have thrown the city into a turmoil of excitement. Business is practically suspended and lynchings are probable.

The killing of Thomas Jones, an old confederate veteran, by Isah Davis, a negro, last night, caused much excitement. The militia was ordered out, but only 75 out of about 350 responded. These slept on their arms all night.

Between 11 and 12 o'clock this morning a negro named Willie Knight, known as "Pensacola Kid," shot and instantly killed another negro named Dantler. As he was being chased by the officers Knight shot and mortally wounded Policeman Joe Tucker. For this last offense he will die if the residents of the northern part of the city can get him out of the county jail.

The negro ran after shooting, but was intercepted by a telegram and arrested by Section Boss Hubbard at Hurricane Bayou. His captor wired for a special engine, which left on the Louisville and Nashville with officers. They brought the negro to town and beat the crowd assembled to lynch him by stopping the engine on the outskirts of the city and rushing him through the suburbs to the county jail. Crowds are collecting on the streets, and both negroes may be taken from jail and lynched.

The old favorite phonograph with new music is at the Acme.

#### CHARGED WITH EMBRACERY.

Detective Godbold, of Savannah, on Trial for that Offense.

Savannah, July 29.—City Detective G. S. Godbold is on trial in the superior court today charged with embracery. It is alleged he offered Juror W. F. Thee \$200 to find a verdict for the railroad in the case of Mrs. Belle Lucas vs. the Florida Central and Peninsular railroad company, tried in the city court during the second week in June.

The case is attracting a great deal of attention. The courtroom has been crowded all day with spectators. The lawyers have been very much in evidence at the trial. It has been years since such a case has been heard in Chatham county, even if one has ever been tried before.

#### THORNE PLEADS.

He and Mrs. Nack Arraigned in General Sessions.

New York, July 29.—Martin Thorne pleaded not guilty to the indictment for the murder of William Gulden-suppe through his attorney, William A. Howe, this morning in the court of general sessions.

Lawyer House, the counsel for Mrs. Nack, refused to plead, so Judge Newberger ordered an entry of not guilty in her case.

#### Bit the Officer.

Macon, July 29.—In arresting a negro this morning Officer Callaway met with desperate resistance. The negro planted his teeth in the officer's arm, badly lacerating the flesh.

#### Trolley for Americus.

Americus, July 29.—It has been decided that Americus is to have an electric street car line. Part of the capital has been subscribed.

### BIG REWARD FOR RYDER'S SLAYERS.

The Governor Offers Large Sums for the Arrest of the Lynchers.

### SAYS HE HAS SEVERAL NAMES.

The Brothers of the Dead Murderer Appear Before Atkinson, Asking Him for Revenge.

Atlanta, July 29.—The brothers of Dr. W. L. Ryder, the white man lynched in Talbot county last week, appeared before the governor today to urge him to take action to punish the lynchers. Governor Atkinson gave a secret hearing to the brothers.

After the conclusion of the audience the governor announced that he would offer the following rewards for the apprehension and conviction of the lynchers of Ryder:

Five hundred dollars for the arrest and conviction of the first two, \$100 each for the conviction of the remaining members of the mob, and \$250 for anyone hindering or interfering with the identity of others.

The governor says he knows the names of three of the mob and will push the prosecution of them all.

#### WILMINGTON ON FIRE.

Rumors at Jacksonville That the Gunboat is in Danger.

Jacksonville, July 29.—A sensational rumor was in circulation today regarding the United States gunboat Wilmington, which is lying in the river off Liberty street.

The rumor was that the gunboat was on fire in her coal bunkers and that the crew were vigorously fighting the flames.

Some color was given this rumor by the fact that the public were notified that they would not be allowed to visit the vessel until Saturday.

The report of the fire was also further strengthened by a fire drill that the seamen were put through this morning.

The report was not generally believed, although the officers refused to allow anyone aboard or alongside.

#### WATERSPOUTS AT TYBEE.

The Resort Had a Great Big Sensation Yesterday.

Savannah, July 29.—The sensation of today at Tybee was the appearance of three separate and distinct waterspouts, which were seen by the several thousands of visitors on the island about 7 o'clock this morning near the mouth of the Savannah river.

This remarkable natural phenomenon has been the talk of the city, for everybody from Tybee reported the waterspouts and graphic descriptions have been furnished. The phenomenon was seen by nearly everyone on the island, for it occurred at an hour when everyone was up and stirring, preparing to catch the train coming to Savannah.

#### President Arrives.

Whitehall, N. Y., July 29.—President McKinley and party arrived at Bluff Point station at 6 o'clock this morning on a Delaware and Hudson special train. The presidential party was taken to Hotel Champlain shortly after 7 o'clock.

#### Domino Dead.

#### POYTHRESS PERSECUTED.

The Serious Charge Against Him Dismissed in Savannah.

Savannah, July 29.—Judging from a decision rendered by Justice Michael Naughtin this morning W. J. Poythress has been a more persecuted than prosecuted man during the past week. He is the merchant who has been in jail several days on the serious charge of criminal assault. It was alleged that his victim was Mamie Finklea, the year-old daughter of Mrs. Annie Finklea, a resident of Yamacraw, and who lives near Poythress' store.

The preliminary hearing was had this morning before Justice Naughtin, and before the defense had concluded its testimony, Justice Naughtin became convinced of the innocence of the man in the prisoner's dock and released him.

#### BATTLE AT MATALAND.

Thirteen British and One Hundred Tribesmen Killed.

Bombay, July 29.—The situation at Camp Mataland is very serious. Natives in large forces made a second attack on the fort yesterday. Fighting was severe.

Thirteen British were killed and 30 wounded. The tribesmen lost 100. The garrison is short of ammunition and it is feared the whole supply will be exhausted before reinforcements arrive. It is reported that the mad Mullah has mustered about 40,000 tribesmen.

#### PEOPLE EXCITED.

Awaiting the Verdict in the Case of Flanagan.

Atlanta, July 29.—The Flanagan case, which has been so rich in sensational developments, is not yet finished.

There is strong talk of lynching the peculiar criminal tonight, and the people show much more excitement than was expected.

If the case is appealed or a verdict of insanity rendered, Flanagan will have to undergo the ordeal of an attempt at capture by the mob. The jail, however, is well guarded, and the sheriff is determined to protect his prisoner.

#### THE MARKETS.

Quotations By Telegraph for The Times' Commercial Readers.

Paine, Murphy & Co.'s Grain Letter.

Savannah, July 29.—Both the foreign and domestic wheat markets have moved very contrary to the general expectation yesterday afternoon, as most of the local traders looked for lower cables this morning and a further decline in prices. Liverpool, however, was firm and closed at unchanged figures. Corn has been strong and advanced 5/8c per bushel. Provision market was featureless as far as volume of business is concerned.

Paine, Murphy & Co.'s Cotton Letter.

Savannah, July 29.—The cotton market has developed a firmer undertone today. Opening quotations, in response to steadier Liverpool market, with futures there from 1/8c to 1-64 advance, were from 1 to 3 points' advance above yesterday's close.

Paine, Murphy & Co.'s Stock Letter.

Savannah, July 29.—The stock market today was broad, active, and interesting, with strength predominating. There was an unusual number of different issues dealt in, and distribution of business was good. There was a renewal of foreign purchases and commission houses had liberal orders.

### ARMY OF STRIKERS; SHOTS AND RIOTS.

Four Thousand Men March to Attend the Big Conference.

### OFFICERS WITH WINCHESTERS.

Exciting Scenes at DeArmitt's Mines, Near Pittsburg—Eugene Debs the Chief Speaker.

Pittsburg, July 29.—Oak Hill was invaded last night by an army of strikers who came to attend the mass-meeting to be held near DeArmitt's mines today, and by daybreak several thousand miners were camped on the hills surrounding the property of the New York and Cleveland Gas and Coal company. They came from every direction, headed by brass bands. Nearly all of the men carried heavy walkingsticks and some were armed.

The men were supplied with food for twenty days. In the valley leading from Turtle creek to one of the New York and Cleveland mines the company kept a powerful searchlight shifting about in hopes of flanking any movement of the strikers to get within reach of the mines unknown to the deputies, who guard every approach. About 4 o'clock 1,500 strikers assembled at Turtle creek and, headed by three brass bands, with flags and banners flying, marched passed the house occupied by DeArmitt's miners.

The strikers hooted and yelled and then marched to the mines where they planted themselves before the pits compelling DeArmitt's men to run the gantlet in order to get to work. A short time later Sheriff Lowry, who had been wired for assistance, arrived from Pittsburg with 50 deputies armed with Winchesters. The strikers quietly withdrew and the new deputies were placed on guard. Everything is quiet now.

When the meeting was called to order at 10 o'clock there were 4,000 striking miners in attendance and before it was well under way there were 5,000 people in the vicinity. About 8:30 o'clock 250 miners from the Sandy creek mines marched to the meeting and a large number came from Turtle creek.

When the strikers reached Plum creek and started on a run down the road toward Tipple to catch the men before entering the mine, five shots were fired from Winchesters by deputies. In reply to this salute the corps struck up a lively air, but no return shots were fired. The miners, who were hurrying into the pit, were overtaken and asked not to go to work. The most of them said they were afraid they would lose their jobs if they remained away from work to attend the meeting. They decided after a short parley to go on to the mine. The miners were carrying dinner buckets. As they turned to leave the strikers their dinner buckets were taken from them. The frightened miners, without stopping or attempting to regain the buckets, ran for the pit and did not stop until they were behind the shelter of the deputies. The mine is in full operation.

Debs made the principal speech at the meeting today.

#### Whaler Lost.

San Francisco, July 29.—A message has been received announcing the loss of the whaler Cape Horn Pigeon, in the Japan sea, during a furious storm. Captain Soula and crew of eighteen men were saved, but nine hundred barrels of sperm oil went down with the vessel.
