

MAN TRIES OUT THIS GUARANTEE GETS HIS MONEY BACK, BUT---

He Bought a Bottle of Dodson's Liver Tonic, Then Took It Back and Asked for His Money and Got It.

A man recently tried out the guarantee which druggists give with every bottle of Dodson's Liver Tonic. He bought a bottle and then went back to the drug store and said the medicine hadn't helped him.

This druggist just reached into his cash register and took out a half dollar, the price of the bottle, and handed it back to the gentleman. But the man didn't take the money. He owned up that he was just trying the guarantee and, as a matter of fact, he had found Dodson's Liver

Tonic the best remedy for constipation and biliousness he had ever tried. "Why," he said, "My wife wouldn't be without a bottle in the house for anything. It's the best thing in the world for the whole family, and the only medicine that I would take or give to my children for a lazy liver."

Roberts' Pharmacy sells Dodson's Liver Tonic and guarantees it to start the liver without violence. It is taking the place of calomel everywhere. If you buy a bottle and don't find this pleasant tasting vegetable liquid the best thing to start a lazy liver this store will hand your money back with a smile.

Heat Is Quick to Affect the Bowels

Little Stomachs Get Out of Order Easily in Hot Weather.

During the hot months mothers should look very carefully to the condition of the bowels of babies and young children, and, for that matter, it is very important in the lives of people of all ages. Care should be taken that the water is pure, the milk wholesome and the fruit ripe (though not over-ripe), and that not too much of anything is eaten.

When trouble results, it is usually in the form of constipation or of diarrhoea. If the child loses appetite, is fretful or languid, and complains of headache, you may look for constipation. Give it a small dose of Dr. Caldwell's Syrup Pepsin at night on retiring, and by morning this pleasant laxative will have acted and the child will be its normal self again.

At the first sign of a summer cold also give Syrup Pepsin, as the cleaning out of the bowels will usually be sufficient to break the cold. Summer diarrhoea can be stopped in the same way by riding the bowels of the poison and germs that cause the trouble. This opinion of the value of Syrup Pepsin is shared by thousands of people like Mrs. Ella Danzel, 124

Nichols Ave., Stratford, Conn., who uses it successfully herself and gives it to her two little boys; and Mrs. C. C. Allen of New Monterey, Cal., who finds it in every particular just what she and her family need.

Avoid giving the children cathartics, purgatives, pills or powders, as they are too harsh. Confine yourself to a gentle laxative like Dr. Caldwell's Syrup Pepsin. You can obtain it of any druggist at fifty cents, and one dollar a bottle, the latter being the family size.

Families wishing to try a free sample bottle can obtain it, postpaid, by addressing Dr. W. B. Caldwell, 418 Washington St., Monticello, Ill.

DAYS DOINGS AT STATE CAPITAL

BUNCH OF INTERESTING GOSSIP
FROM GEORGIA'S
METROPOLIS.

Atlanta, June 16.—A local school campus was thrown into wild confusion this morning when young students experimenting with an amateur wireless station in the tower of one of the buildings rushed down stairs and announced in breathless excitement that they had intercepted a message from Washington announcing the assassination of a high official of state.

They believed they really had it, and hurry-up phone calls were rushed to the local telegraph and newspaper offices to ask if they had heard anything.

Three minutes ticking over a wire to Washington convinced everybody concerned that the whole thing was a mistake or a hoax.

Everybody "flashing." Atlanta, June 16.—The fashion of wearing silk skirts has made its way from the street and drawing room to the lake side, and slashes which in the street dress exposed milady's ankle to the gaze of the indiscreet, when made in the bathing suits, now coyly display the dimples in milady's knee.

The swimmers say, however, that there is nothing scandalous about the silk skirt bathing suit, and that they are practical in that they give more freedom in swimming.

Several stunning suits in the new style have made their appearance at East Lake and have occasioned much comment.

Clean as a Pin.

Atlanta, June 16.—Brushed and dusted bright and clean, the state capitol stands ready for the opening of legislative next week. Ever since the first of June the keeper of public buildings and his force of assistants have been busily engaged, particularly in the senate chamber and the hall of representatives.

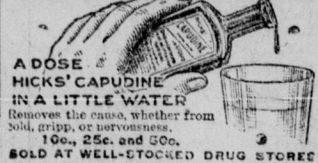

The corridors too, have all come in for a thorough cleaning, and the famous pictures and trophies which are of interest to the occasional tourist, have all been daily dusted and polished.

Meanwhile Governor Brown has completed putting his "house in order," and will turn over the executive office in apple-pie condition to his successor.

Defending Frank.

Atlanta, June 16.—Another formal defense of Leo M. Frank has appeared in the news columns of the Hearst newspaper, the Atlanta Georgian. The paper, apparently, has decided to throw the weight of its influence

Good Advice.

Atlanta, June 16.—"If your husband slaps your face or beats you, pick up the first weapon handy and go after him. If it happens to be a stove poker, so much the better."

Such is the advice given to abused wives from the Atlanta bench by City Recorder Pro Tem, Preston.

He goes further than Colonel Roosevelt, who urged the whipping post, and urges the wives to take the law, and the rolling pin, into their own hands.

FAIR-MINDED PHYSICIANS

recognize the value of Lydia E. Pinkham's Vegetable Compound and do not hesitate to prescribe it. A woman from St. Cloud, Minn., says she was led to take it because she learned that her doctor's daughter had been taking it with most excellent results. This is another link in the long chain of evidence to prove the reliability of Lydia E. Pinkham's Vegetable Compound for women.
