CATES WAS THERE AND PILOTS WON

FAVORITE HEAVY WAS ON THE
MOUND AND WAS STINGY
WITH HIS HITS.

With Jack Cates back in the game pitching in his usual good form and with his teammates hammering out 13 safeties behind him, the Pilots broke into the win column again yesterday afternoon when they took that fast Cordele aggregation into camp by a 5-2 score. Cates had the Cordele team eating out of his hand during most of the game, giving up six hits, two of them being mere scratches. He also struck out nine batters and issued two free passes. At that the southpaw did not work any too hard, being somewhat weak from his long illness.

The Pilots on the other hand, went after Mr. Hall, the visitor's hurler, in good fashion, gathering a total of 13 safeties, including doubles by Mullen and Schuyler. The hits were kept pretty well scattered, however, except in the seventh inning, where four were bunched and, with a free pass and a couple of stolen bases by the locals, three runs were added. The Pilots were in the lead during the entire game, having made one in the second and one in the third, while another was added in the ninth.

Two new faces were seen on the Pilot's line-up yesterday. Moran, the new manager, was behind the bat and Leak on first. Both of the players showed up unusually good in their fielding, but they did not get their eyes on the ball during the first game. They both look good at the bat, however, and will soon begin landing on the sphere. Following is the score of the game:

Valdosta at Americus.
Thomasville at Waycross.

Cates was given an ovation by local fans yesterday when he stepped out into the box for the first time in three weeks. And it may be stated that the southpaw yet has his first game to lose on the local diamond.

O'Brien, a Charleston pitcher who he locals had strings out for, has signed with Waycross. The blow lands now have about six pitchers in their staff.

That fellow Werner seems to be a pitcher in the league who can always check Valdosta. When he leaves against the top-notchers he usually gets away with the game.

The locals were hitting the ball yesterday at a rapid clip and the hits were coming, too, when they meant something.

Though Eubanks is considered one of the best backstops in the league, he locals were running bases wild on him yesterday.

Leak looks good on first. He handles himself like a first sacker who is able to gather in all of the bad throws from the infield. It is believed, too, that he will soon get his eye on the ball.

Kid Wilder, the league's leading hurler, has again joined Cordele after an absence of several days caused by the death of his father in Florida. All players in the league are sympathizing with the popular little southpaw in the loss of his father.

THREE HITS.

Waycross, June 16.—In a pitchers' battle this afternoon between Roth and Warwick, the Thomasville south paw got the better of it, and his team topped the opening game of the series by a score of 2 to 1. Roth pitched unusually strong ball, allowing Waycross only three hits, two of them coming in the fifth inning when the locals made their only run. Warwick pitched good ball.

Americus, June 16.—In a great ninth-inning rally this afternoon, when defeat appeared almost certain, Americus made two runs, all that were necessary, and won the opening game from Valdosta by a score of 2 to 1. The game was one of the prettiest, snappiest and best played yet seen on the local diamond. Americus has greatly strengthened and is now expected to come strong. Both Werner and Wings pitched in excellent form this afternoon.
