DAYS DOINGS AT STATE CAPITAL

LAWYERS FEAR LONG-WINDED-
NESS OF EACH OTHER—MAKE
GAG RULE—OTHER NEWS.

Atlanta, Dec. 5.—The gag rule is going to be put in strict force at the meeting and banquet of the Atlanta bar tomorrow night.

Each lawyer is afraid of the other's long-windedness, with the result that a mutual agreement has been reached by which nobody will be allowed to speak for more than four minutes at the outside.

A watch will be laid on the table by the toastmaster's hand, and at the expiration of each four minutes the speaker must conclude, even if he is in the midst of a poetical peroration.

DR. BROWN AT PEACE MEETING.

Atlanta, Dec. 5.—Dr. George Brown, Atlanta's most prominent representative in the International Peace society, has gone to Richmond, Va., accompanied by Mrs. Brown, to attend the 100th anniversary peace meeting among the English speaking people of the world.

The day is in celebration of the conclusion of the peace treaty between the United States and the British after the war of 1812, since which there has been no international strife between English speaking peoples.

OFFERED SELF AS SACRIFICE.

Atlanta, Dec. 5.—Too much poring over the Old Testament stories of burnt offerings and living sacrifices on a smoking altar is said to have caused the mania of G. W. Day, the demented patient who burned himself and a cottage in which he was detained near Smyrna yesterday.

**How to Make
Better Cough Syrup than
You Can Buy**

A Family Supply, Saving 5¢
and Fully Guaranteed.

A full pint of cough syrup—as much as you could buy for \$2.00—can easily be made at home. You will find nothing that takes hold of the ordinary cough more quickly, usually conquering it inside of 24 hours. Excellent, too, for spasmodic croup, whooping cough, bronchial asthma and bronchitis.

Mix one pint of granulated sugar with ½ pint of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (five cents worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help relieve a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant. The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in guaiacol and other natural healing pine elements. Other preparations will not work in this combination.

This Pinex and Sugar Syrup remedy has often been imitated, but the old successful mixture has never been equalled. It is now used in more homes than any other cough remedy.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

Fit His Case Exactly.

When father was sick about six years ago he read an advertisement of Chamberlain's Tablets in the papers that fit his case exactly," writes Miss Margaret Campbell, of Ft. Smith, Ark. CRAWFORD HEARING REAL MURDER CASE

CRAWFORD HEIRS TRY TO PROVE
THAT HE WAS
FOISONED.

Atlanta, Dec. 5.—An ostensible murder trial being carried on in the civil instead of the criminal branch of the superior court, is what the Crawford will case, now going on here, looks to the proverbial man on the street who has no technical knowledge of law.

The heirs-at-law who are fighting the claims of Mrs. Mary Belle Crawford, are using all their efforts, in the civil courts, to prove that Mrs. Crawford murdered her aged husband, literally poisoned him to get his money.

Mrs. Crawford's able attorneys, on the other hand, are devoting their best efforts at this civil court hearing to prove that Mrs. Crawford did not murder her husband, and that he died of natural causes.

Expert testimony on poisoning is being introduced just the same as in a criminal court, and the experts are contradicting themselves just as they do when a life is at stake.

In the meantime the real criminal warrant has been held up in the grand jury room. Mrs. Crawford and her attorneys are demanding that it be acted on.

I TOOK PE-RU-NA

Was Able to Sleep and Eat Again

Mrs. Mueller says: "I keep Peruna in the house constantly. When I am not feeling well I take a few doses. It always restores."

Mrs. Mueller's story of her experience with Peruna fully explains why she always keeps Peruna on hand. A few years ago P. O. Box 321, Hawley, Pa. she was very sick. The trouble seemed to be the stomach and liver. She suffered great pain. Was unable to get anything to help her. She was growing weaker and weaker. She became tired of life.

Somebody suggested that she write to the Peruna Co. She did so. Through their advice she began to use Peruna. In a letter from her at this time she says: "Through the use of Peruna I have regained my health. I took only a bottle and a half when I was able to sleep and eat again and my nervousness disappeared." No wonder Mrs. Mueller keeps Peruna in the house. Under similar circumstances Peruna would be in every house in the land.

Any one taking Peruna ought to have a free copy of the "Pills of Life." Address Peruna Co., Columbus, Ohio. People who object to liquid medicines can now obtain Peruna Tablets.

Bumped Up Against the Real Thing.

"I think I have bumped up against the real thing in Chamberlain's Tablets," writes D. R. Thomas, of Tidewater, Pa. "They do the work and cases of constipation when pills and cathartics are used, their use is often followed by constipation, as they take so much water out of the system. On the other hand the effect of Chamberlain's Tablets is so agreeable and so natural that you do not realize that it has been produced by a medicine and no reaction follows their use.
