ATLANTA HAS RING SAYS WOODWARD

MAYOR DECLARES POLITICS IS CONTROLLED BY "LITTLE TAMMANY."

Atlanta, Dec. 5.—That Atlanta has a really and truly political "ring," a regular "little Tammany" in fact, is declared by Mayor James G. Woodward, commenting on the juggling which has taken place during the past few days on the membership of the police commission.

"This is the sort of politics that I have been telling the people about ever since I started my campaign for mayor last fall," Mayor Woodward says.

"It shows the 'little Tammany' ring in its true light. They are scheming all the time to keep their friends in office and to retain control of council and the boards.

"McEachern's term would have expired next March and he would have been ineligible for re-election. But instead of serving his term out, his friends in the Seventh ward get together and frame it up for him to resign from the police board and for Marcellus Anderson to resign from the school board, and now each will be elected to fill the other's unexpired term.

"Isn't that a nice piece of juggling? It shows the caliber of some of the men we've got in council, and the caliber of some of our esteemed board members."

CROUP AND COUGH REMEDY.

Croup is a terrible disease. It attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1.00. A bottle should be in every home. At all Druggists. H. E. Bucklen & Co., 1114 St. Louis.

California Woman Seriously Alarmed

"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. DUTCH GOLD BRICKS FOR SALE BY MAIL

"HERR JOHANNES" IS TRYING A LOTTERY GAME IN GEORGIA.

Atlanta, Dec. 5.—The postoffice sleuths are trying to figure out why the mails of Georgia have been flooded during the past three days with lottery circulars from far-off Germany.

Whether Georgia's era of prosperity has put her on the prospective sucker list, or whether there is some deeper reason, they have not yet discovered, but whatever the cause, the effect is a strange one.

Honest Georgia farmers who never heard of a state lottery before in their lives are receiving official-looking envelopes from Herr Johannes Schnoor, whoever he may be, informing them that they will be given the privilege of purchasing a lottery in the Hamburg state lottery.

Herr Johannes obligingly explains that "nearly every other ticket is bound to win." What he thought that phrase meant in English when he wrote it, goodness only knows.

Order blanks are enclosed for the transmission of funds. The drawings run in series, so the fish who nibbles at the first may be persuaded to hang on through the seventh. By that time it will doubtless be immaterial to Herr Johannes whether school keeps or not.

A LOVELY FACE—BUT UGLY HAIR

How often you see an otherwise lovely face spoiled by homely hair—a face that would be most charmingly beautiful if she only had prettier hair. What a pity!—and how foolish! Because that ugly hair, stringy, dull, lifeless-looking though it may be, can be made as glossy, soft, silky and beautiful as the heart could desire if only taken proper care of.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—it is not a hair dye or hair oil—it is just a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, its natural wavy softness, its natural rich beauty. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the celebrated Harmony Perfumes and Toilet Preparations are made.—J. TWO DISTINCTIVE GARMENTS FOR THE BOUDOIR

The negligee is quite as important to the wardrobe as the street frock or evening gown and as much attention is being given it this season. The richest of silks and chiffons are used in its making, and the modish trimmings include fur, marabout and the metal laces. Lace and marabout are especially smart. The brightest and most extravagant of silk patterns are appropriate and pleasing for these garments, providing they are becoming. Boudoir caps are fashioned in many quaint designs, the butterfly and peasant cap in lace or chiffon daintily trimmed with a rose wreath or a band of fur. No. 8008 is a quaint, smart negligee developed in pale yellow chiffon cloth, collared and banded in a figured silk in which there are minglings of several pastel shades.

The petticoat (7740) is of liberty satin in the same soft yellow. This matinee may be made in size 36 with 2 1/2 yards of 36 inch material. The petticoat requires 2 1/2 yards of 36 inch material for size 24.

One of those richly colored broché silks is used for 8013 with trimmings of plain satin and frills of metal lace finishing neck and sleeves.

A pretty fad for the boudoir is to have stockings and corsetines match the robe or matinee or contrast effectively with them. Often if the garment is fur trimmed a bit of the fur bands the slipper or trims the satin garter.

This design (8013) may be made in size 36 with 5 1/4 yards of 36 inch material.

No. 8008—size 32 to 44.

No. 7740—size 22 to 36.

No. 8013—size 32 to 44.

Each pattern 15 cents.

To obtain either pattern illustrated fill out this coupon and enclose 15 cents in stamps or coin. Be sure to state number of pattern and size, measuring over the fullest part of the bust. Address Pattern Department, care of this paper.
