There are Two Common Mistakes Regarding the Dry Cleaning Business

First--

That anyone can do the work and that no experience is essential.

Second--

That it is expensive--both of these ideas are wrong and there is no question but that our cleaning department is worthy of the patronage of the most fastidious dresser.

Try it.

## A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.--"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

He complained of backache and pains in his kidneys and felt miserable in every way. I had heard so much about Doan's Kidney Pills being good for these troubles that I procured a box at the Atlanta Drug Co. and had him use them.
