**Railroad Changes Pay System.**—The Georgia Coast and Piedmont R. R. placed into operation their decision to pay employe's salaries every two weeks, instead of monthly. Hereafter the men will be paid on every first and middle legal day of each month.

Smith, Secretary of the Board of Trade, will take his annual vacation immediately after he can release himself from the great amount of work in connection with the Liberty loan. King, Jr., owner of the Bijou theatre, damaged to a considerable extent Wednesday night, stated that he will contract to have the theater entirely remodeled inside which, when completed, will have a seating capacity of over 500. The theater will also be decorated throughout by a leading mural decorator.

**Neat Window Display.**—Just why you should buy a Liberty bond is graphically described in an artistic arrangement of several toys in the display window of A. Kaiser and Bro. store. Mr. Cook successfully impersonated Eugene Field in his efforts with "Little Boy Blue," where soldiers, army nurses and even miniature airplanes bring to our mind the existing war conditions, which now tell us to buy a Liberty bond.

**Woodmen Campaign On.**—Ye Woodmen! Get busy, let's roll the logs up higher. Every Chopper get a new member, while I am here. Your cooperation will be highly appreciated.

**"IT'S SUPERIOR  
TO ANY LIVER  
MEDICINE SOLD"**

In Common Gratitude Col. W. A. Terrell Expresses His Approval of Martin's Liver Medicine—No One Will Ever Take Colic After Once Trying It.

The following unsolicited letter was recently received by the manufacturers of Martin's Liver Medicine:—  
"In the absence of any other reason, common gratitude calls for an expression from me of the wonderful merits of your health-giving Liver Medicine. With a large experience in trying and using various liver remedies, I have never found any remedy that so completely "hits the spot" and tones up the dilapidated feeling and makes a fellow feel that life is worth living. Martin's Liver Medicine relieves gently but effectively constipation, starts the liver on its active function, creates a healthy and normal appetite, and at night sleep is sweet and restful. I have used three bottles of this splendid remedy and am prepared to say it does all and more than you claim for it."  
W. A. TERRELL,  
Decatur, Ga.

**MRS. JOSEPH DANIELS AN ATLANTA VISITOR—OTHER ITEMS.**

**ATLANTA, Oct. 25.**—Mrs. Joseph Daniels, wife of the secretary of navy, who will attend the conference of the war worker's council of the national Young Woman's Christian Association board here tomorrow, will reach Atlanta late this afternoon.

Mrs. Daniels will be the principal speaker at the conference. The Atlanta meeting is one of four great sectional conferences by the war council, which has appropriated a budget of four million dollars to spend in war emergency work among women. The other meetings are Chicago, Pittsburg and Kansas City.

**Can Engage Athletics.**  
**ATLANTA, Oct. 25.**—The interned Germans at the prison camp at Fort McPherson are to be allowed to engage in athletic sport according to an announcement made Colonel J. T. Van Orsdale, commandant at the camp.

The prisoners will be permitted to participate in various games and forms of amusement tending to improve their physical condition, always being under the surveillance of military guards, however.

The parade ground at the fort is to be used by the Teutons for their games, one of the most popular of which seems to be patterned somewhat after the American game of handball.

The officers and men are also to be allowed to walk about the fort every afternoon accompanied by United States commissioned or non-commissioned officers.

**A New Use for Cats.**

Atlanta, Oct. 25.—Dozens of black Tom cats will be used as one of the decorative effects at a Hallow 'Een dinner dance at one of the country clubs of Atlanta next Saturday night. The chairman of the entertainment committee has inserted an advertisement in the paper calling for cats of the masculine gender and black from the nose to the tip of the tail. He will have no cats but masculine ones and none but masculine cats that are black. Exactly what uses his proposes to make of them is not disclosed, but a very large attendance is expected at the dance, owing to the keen curiosity aroused.

Christine Miller's proof that the Edison machine perfectly re-creates her voice is absolutely no proof that similar named preparations to Drew's Salve for coughs, colds, croup, sore-throat, bronchitis, tonsillitis and pneumonia are of similar merit. We, your frugliet, want everybody who really needs a good and reliable, honest and efficient remedy to try Drew's Salve just one time, on our guarantee. We do not hesitate to guarantee it because we know it will make good.

Your hair becomes light, wavy, fluffy, abundant and appears soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair. Besides beautifying the hair at once Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty soft hair and lots of it surely get a 25-cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.
