## BE STRONG.

Be strong!  
We are not here to play, to dream  
to drift;  
We have hard work to do, and loads  
to lift;  
Slum not the struggle—face it; it's  
God's gift.

Be strong!  
Say not, "The days are evil. Whom  
to blame?"  
And fold the hands and acquiesce—  
oh, shame!  
Stand up! speak out, and bravely, in  
God's name.

Be strong!  
It matters not how deep entrenched  
the wrong,  
How hard the battle goes, the day  
how long;  
Faint not—fight on! Tomorrow comes  
the song.  
—Mabel Davenport Babcock.

## WHEN DOING WAR WORK

During the war women were called  
into almost every vocation in life, and  
right well did they assume the re-  
sponsibilities and fill such positions.  
In many instances, however, their  
strength has been overtaxed, and such  
ailments as are peculiar to their sex  
have fastened themselves upon them.  
Such women should remember there  
is a tried and true remedy for their  
troubles in Lydia E. Pinkham's Vege-  
table Compound, which for more than  
three generations has been relieving  
the women of America from some of  
the worst forms of female ills.

## WOMEN BACKING THE SOLDIER BOYS.

When the history of the war has  
been written, the work done by the  
women at home will impress itself  
upon this nation as few now realize.  
Literally, millions of women left their  
homes and took up war activities into  
which women had never before been  
called, and many more at home de-  
voted long hours at work in knitting  
and preparing surgical dressings for the  
boys "over there." Some may have  
worked at the expense of health and  
are now suffering from headaches,  
backache, dragging down pains of  
some derangement. It should be re-  
membered that Lydia E. Pinkham's  
Vegetable Compound for more than  
forty years has been restoring such  
women to health and strength and is  
now recognized as a standard remedy.

more than an ounce is needed to com-  
pletely clear the skin and gain a  
move out of the bowels, and you have

remove freckles.

## No "Sweat-Shop" Could Make STADIUM Clothes

The spirit of men and their environment are  
reflected in their handiwork.

We long marveled at the uniform perfection of  
Stadium Clothes, but when we visited Woodhull,  
Goodale & Bull's, Inc., at Syracuse, we understood  
why.

The Stadium factory is big, and square, and sub-  
stantial—convenient to everything.

The ample windows on all four sides let in the  
sunshine and the free, bracing air of Onondaga  
County.

Not a cloud has ever marred the relationships at  
this plant. It is a Union Shop—with conditions far  
and away ahead of anything the union demands.

When we saw Stadium workers and Stadium clothes in the  
making, we knew the whys of Stadium quality. And, may we  
say it, we were proud of our judgment in choosing this line to sell  
to you; proud that we know how to fit 'em as such clothes deserve  
to be fitted.

## Desperate Days in Old Virginia

"Dear Father:—You will see in a rather short  
my long delay. I arrived here late Tuesday night  
after an encounter with wolves in the woods about  
2 miles west of the river. I have fortunately re-  
covered four pounds of choice seed of tobacco, but  
I cannot fetch them until the mare is recovered  
from the cruel work of the wolves."  
—A Virginia letter of 1647

## VIRGINIA tobacco makes the best-tasting cigarette

Virginia cigarettes have a zest, a relish  
and an appetizing freshness that smokers of  
other cigarettes never get at all.

But, to enjoy Virginia tobacco at its best,  
smoke it *straight*—not mixed with other to-  
baccos. Only then do you get Virginia's *full*  
flavor and *all* of that keen relish that makes  
a cigarette a *smoke*.

Just try this out for yourself in a Piedmont.

*Liggett & Myers Tobacco Co.*

*The Virginia Cigarette*

**20 for 18 cents**  
(2 packages—40 cigarettes—35 cents)

NOTE—Virginia tobacco is grown here in the U. S. A.  
Unlike foreign-grown tobaccos it carries no import duty.  
Import duty doesn't make a cigarette any better—it  
merely adds to its cost. Piedmonts give you better  
value because all your money buys tobacco quality.
