Explanations and Rules of the Campaign

(Copyright 1919, Zain's Advertising System.)

\$550.00 will be given in prizes for the best ads written about each firm in the campaign.

25 prizes will be given every week for the best ads written about each firm in the campaign. First prize is \$5 in gold which is deposited at the Glynn County Bank.

All ads sent in whether they win a prize or not will be retained until the end of the 15 weeks of the campaign. Judges will be appointed for the final grand prize. The Grand Prize is a \$90 Sonora Talking Machine on display at Miller's Furniture Store.

Write your ad on one side of the sheet and your name and address plainly on the other side of the sheet. When the time arrives for selecting the best ads, the name of the writer will be under seal, so not even the judges will know to whom the ad belongs.

These ads will be taken to the Bijou Theatre, and some one from the audience will be chosen to take the seal from name of the ad winning the prize, and same will be read aloud. An individual can write as many ads as he or she may wish, and about as many firms as one wishes. If you write about each firm each week you will have more ads, and naturally a better chance to win more prizes.

Available Money Reserves

THE main object of the Federal Reserve Banking System, of which we are a member, is to make more available the united money reserves of the strong banks of the country.

Even in normal times there come seasonal loan demands of which the average citizen is unaware. The farmer must have money loaned him for planting and crop moving. Interest and tax payment periods each present their special banking requirements.

The Federal Reserve Bank through which a member bank may quickly convert commercial paper into available assets when most needed enables us to meet these needs.

"Two of my sons are in the war. I am doing all I can to help my country as well as Mayr's Wonderful Remedy which I can thank for my present good health. I suffered 5 years with most serious stomach trouble and bloating. Am recommending it to all sufferers. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded."
