Attention was called in this paper some time ago to overhanging trees on the Waikiki route. With a few exceptions the property owners still permit the branches to remain, a menace to eyes, life and limb of outside passengers on the bus.

man of straw set up for a purpose, which is in the line of neither honesty nor fair play. In its latest lucubrations the Bulletin repeats its claim to a monopoly of independence, which to intelligent people only indicates fear that the assumption will be contested.
