NEW ROAD COURSES.

Government to Build New Road Along Island of Oahu.

The execution of work on the new road near Waimanalo, as estimated, will start in March this year. The road is to be built from Waimanalo to the new road now under construction on the Windward side of the island. It is to be thirty feet wide in the middle with thoroughfares at each end of forty feet wide. The work is to be handled by the Federal government, and will be a part of the federal aid to highways to the various states.

NATIONAL BANANAS.

When the United States began to demand its bananas in the market the Department of Agriculture for a time carried the fight for another nine months. The bananas were too dear and the United States could not be satisfied. The Department of Commerce and Labor, under the late administration, had been trying to get a foothold in the market, but this was not possible. The Department of Commerce and Labor had been active in the market for a year and a half, and had been trying to help the Department of Agriculture to get a foothold in the market. The Department of Commerce and Labor had been trying to get a foothold in the market, but this was not possible.

It is now believed that the United States will be able to get a foothold in the market in the next nine months.
