It's easy, cheap, time-saving, business-like.

to use a "Caligraph" type-writer.

Who will think you are wideawake and progressive if you stick to the way your grandfather wrote?

Steel pens instead of quill pens; you're ahead there.

You can do more work on a Caligraph than with a pen. It's more comfortable to use a Caligraph than a pen.

The Caligraph is better than any other type-writer, because it is simpler, lasts longer and does cleaner work than any other.

You can buy one on easy terms. It helps pay for itself while you're buying it.

Let me sell you one. T. W. Hobron, Sole Agent, Honolulu.
