HIS WAS THE FAILURE OF THE YEAR.

Mr. S. Ehrlich's, failure was the only notable affair of the sort in Honolulu business circles this year. He is now trying to get out of the bankruptcy court.

It was understood at the time Ehrlich went to the wall that he had been dabbling in some mysterious Brazilian enterprise. He told friends here that he put in a large sum of money and lost it outright.

After deliberating on the matter two days, Judge Cooper ordered the names of nine native jurors stricken from the panel.

How about it? Have you one of those patented collar Buttons, which does its own swearing, as it rolls under the dresser?

Or do you do your own swearing, as you tear your finger nails in a vain endeavor to push a refractory collar button through the button hole of a highly starched and stiffened dress shirt?

Who has not experienced the delights of such a dilemma?

All ready for the party—everything on but the cuffs, and they won't go worth a cent. You tug; pull; push and soil them but its no go. But one relief: you hie yourself to the one room in the house specially set aside for those catastrophes and that is heavily charged with sulphur—suffering man. Let me suggest a relief; get and use "the Benedict" Collar Button.

"The Benedict" is perfect. Millions swear by them, not at them. Made in Gold, Rolled Gold and Silver. Saves your temper, saves your linen. All gentlemen wear "the Benedict."

Won't you? Sold by

Hardware and General Merchandise

For some time we have been trying to get hold of a GOOD LAWN MOWER, one that would do all the work of high priced machines, and yet sell for about ONE HALF THE MONEY. We have succeeded in finding just such a LAWN MOWER and do not hesitate to recommend them to you.

Besides our regular line of 3 and 4 ply HOSE we have the WATERBURY SPHINCTER GRIP GALVANIZED SPRING STEEL ARMORED HOSE, which is the best of the kind in this market.

The CACTUS LAWN SPRINKLER was evidently made to never wear out; it is simple and inexpensive, while it does the work of any other Lawn Sprinkler, though it has no revolving parts.

Remember, we sell PEARL OIL at \$1.90 per case, c. o. d., delivered to any part of the city.
