

JAPAN DECLARES AN ARMISTICE.

Gresham Is Getting Weary and Wants to Resign Office.

CASE OF THE HAWAIIAN EXILES.

Li Hung Chang's Assailant Sentenced to Penal Servitude for Life—Suit Against Canadian Pacific S. S. Co.—Olympia to Relieve Philadelphia

TOKIO (Japan), March 29.—The Emperor of Japan has today declared an unconditional armistice.

ST. PETERSBURG (Russia), March 29.—Advices received here from Tokio say that the decision of the Emperor of Japan to declare an unconditional armistice was greatly due to the extreme indignation aroused by the attack on Li Hung Chang.

WASHINGTON, D. C., March 29.—The news that an unconditional armistice has been declared by the Emperor of the Japanese was confirmed at the Japanese legation, where it was stated that a cablegram to this effect had been received from the home Government.

SHIMONOSEKI (Japan), March 31.—Koyama Rokunski, the young Japanese who attempted to assassinate Li Hung Chang, has been sentenced to penal servitude for life.

HONGKONG (China), March 30.—The Japanese are bombarding Taiwan, the capital town of Formosa.

TOKIO (Japan), March 29.—It is reported that the conditions of peace are that China shall pay 400,000,000 yen indemnity and cede Formosa and Southern Manchuria, Japan holding guarantee pending the payment of the indemnity and settlement of the boundaries.

LONDON, March 29.—The British Consul has advised that all foreign women and children leave Formosa. A number have already gone to Amoy and Hongkong.

GRESHAM TO RESIGN.

Likely Leave the Cabinet Before the First of July.

WASHINGTON, April 1.—Another vacancy in the cabinet, it is rumored, may occur within the next few weeks. Secretary Gresham is the official who is reported to be the subject.

Judge Gresham, it is stated, has not found the state department as congenial to his tastes as he had expected, and Mrs. Gresham has not been altogether pleased with the breaking up of the home ties made necessary by her removal to Washington.

The rumor of Gresham's retirement, however, is not based alone on these exchanges of confidence, but on more direct statements regarding his intentions in the near future.

It is hinted, however, that Judge Gresham has felt somewhat aggrieved over the disinclination of the cabinet to support him in a foreign policy which he believes would win for him great popularity and possibly make him a favorite for the Presidency.

THE HAWAIIAN EXILES. Suit Against the Canadian Steamship Company to be Pushed.

VANCOUVER, (B. C.), March 27.—In speaking of the case brought by the Hawaiian exiles, Mueller, Grant, and John Stone, against the Canadian-Australian Steamship Company, E. P. Davis, counsel for the company, said yesterday regarding the attitude of the Hawaiian Government in the case:

"They are anxious to have the question settled as to the right to deport dangerous characters from the islands when the latter are, as during the late crisis, under martial law. They claim such a right in the present instance and are anxious to have that right established by a judicial decision in another country."

"Mr. Kinney came here with authority to retain special counsel to represent them, but upon examination decided to leave the matter as it was, consequently I am not retained by the Hawaiian Government at all, but am

looking after the interests of the present defendants. I am raising the point they wished to see raised and settled, which comes to the same thing."

"The case," he added, "could not possibly come up for trial until the fall, since a commission would have to be issued to take evidence in Honolulu."

MOVEMENTS OF SHIPS.

The Olympia to Relieve the Philadelphia at Honolulu.

WASHINGTON, March 29.—Future movements of ships are under contemplation in the Navy Department. Within a few months a number of vessels will go out of commission and some of the new vessels will receive the men doing duty on the older ships.

One of the important changes to be made is the sending of the Olympia from Mare Island to Honolulu to relieve the Philadelphia. The Philadelphia will be docked and scraped at Mare Island, and will then go to the Asiatic squadron, relieving the flagship Baltimore.

It is expected that within a short time the Chicago, now at New York, will go out of commission, and her men will be transferred to the Amphitrite, now at the Norfolk navy yard.

Views of Senator Frye.

BRIDGEPORT, Conn., March 30.—At a Republican banquet last night Senator Frye said: "Give us Republican rule for a single decade and we will show the people the beneficence of Republican legislation. Everyone who works shall have it and at the wages of the crowning year of Republican rule—1892. We will restore the merchant marine to its place and increase our white, strongly armed squadrons so that they will command the respect of all nations. We will show the people a foreign policy that is American in every fiber and hoist the American flag on whatever island we think best, and no hand shall ever pull it down."

What Does it Mean?

WASHINGTON, March 28.—A cable message was sent to Admiral Meade at Kingston today, ordering him to dispatch two war vessels of his fleet to the vicinity of Greytown and Bluefields, Nicaragua. The State Department officials will not discuss this sudden backing up of the squadron in the Caribbean, and give out the impression that the order is of no special significance, but the movement is looked upon in an entirely different light by naval officials.

Ambition of Cleveland.

WASHINGTON, April 2.—An evening paper says that President Cleveland is ambitious either to succeed himself or name the Democratic candidate for President in 1896, and that with this end in view he will try to pacify ultra silverites to some extent by pretense of bimetallicism.

Battalion Drill.

Battalion drill, under the command of Lieutenant-Colonel Fisher, was held last night on Union Square. Six companies participated.

On account of the strong wind blowing, it was rather difficult for the captains to hear the commands. Professor Berger and his band were stationed in front of the old Music Hall and furnished martial music. Quite a crowd collected on the Square to witness the drill.
