Hobron Drug Co.

FOOD

How is your appetite? That's a leading question—it means one of two things—health or illness. No matter how much or how excellent food you have, without a normal appetite, you can't enjoy it. The digestive apparatus gets run down; needs toning up.

The "BEST" TONIC, made from wholesome grain, is excellent for a jaded appetite. It seems to be just the thing needed. A few bottles will set up a normal appetite. You can get Pabst's "Best" Tonic of

The Ruling Fad

Fac similes of your signature accurately engraved, no matter how badly or how well you write. No matter how many flourishes you affect, we'll portray it exactly as you write it. The "Four Hundred" are using this style, which for the time being is superseding the plain script; yet for all that it must not be inferred that it is the only correct thing; as even a plain block letter has made its appearance. Tastes and a leaning to "Fads" have much to do with ruling styles. We stand ready to cater to your taste. Our suggestion might help you some also; for you know we keep posted on correct things in that line.

Safe Deposit Boxes

WE HAVE A FEW MORE BOXES in our Safe Deposit Vault which are not yet rented. There are four sizes, varying in price from \$12 to \$30 per year. Any private papers left in these boxes are perfectly safe, as the vaults are fire-proof and are fitted with time locks, which makes them absolutely burglar-proof. There are two keys to each box, both of which are given to the party renting box, and should these keys be stolen they would be useless to bearer, as he could not open the box without our master-key being first inserted. Parties leaving the Islands for their summer vacations will find it a convenient place to leave any valuables. Boxes can be rented by the month or year as desired. Apply to
