Pinafore.

The curtain rose before a large assemblage at the Opera House on Thursday evening, the occasion being the production of Pinafore. The first scene aboard ship was a characteristic one. Mr. E. Torpi as Sir Joseph Porter, K.C.B., well carried out his role, telling how he succeeded in reaching high rank in the English navy. Mr. Hamilton, as Dick Deadeye, was so transformed in his make-up as hardly to be recognized, but he no sooner began to sing and act than the audience recognized him with a burst of applause. Master Percy Levey appeared well as a typical little sailor lad, winning the special favor of the audience. Miss Myers' sweet persistence finally captured the Captain, and Miss Carmen, as Hebe, deservedly won the appreciation of those present. Perhaps the principal feature of the evening's entertainment was a diversion from the usual part of Dick Deadeye in the way of singing a yarn about his troubles, "All on account of Eliza," making a few local hits. A repetition of the opera was given Saturday evening.

Board of Health Meeting.

The Board of Health held its regular weekly meeting Wednesday afternoon. The report of President David Dayton was read and adopted. The report was concerning the Leper Settlement on Molokai, from where President Dayton returned in the morning. Everything at the Settlement was found satisfactory, the inmates appearing quite contented. William Tell, who accompanied Mr. Dayton to Molokai, was installed in the position of Superintendent, lately filled by Mr. T. E. Evans. Short speeches were made by Mr. Dayton and others, introducing Mr. Tell as the new Superintendent. Mr. Evans has gone to Lahaina.

For Malaria

Use Horsford's Acid Phosphate. Dr. E. G. DAVIES, De Smet, Dak., says: "I have used it in slow convalescence and prevention from malarial diseases, where the drinking water was bad; I believe it to be beneficial in preventing summer complaints; also one of the best agents we have to rectify the bad effects of the drinking water upon the kidneys and bowels."
