AMERICAN DUCHESS GETS A DIVORCE

DAUGHTER OF EX-GOVERNOR OF NEW YORK SEPARATED FROM HER HUSBAND.

Associated Press, Morning Service. PARIS, July 1.—The Duchess of Valencay has been divorced from her husband. She is a daughter of Levi P. Morton, formerly governor of the State of New York. Miss Helen Morton was married on October 5th last at St. Mary's Catholic Church, Chelsea, England, to Count Boson de Perigord, a son of the Duke of Talland-Perigord. A few days after the wedding was announced that the Count had purchased the splendid old Chateau de Valencay for 2,718,365 francs (\$433,673) and with the acquisition of the domain had assumed the title of Duke de Valencay. Afterward it was intimated that the money for the purchase of the castle had been advanced by Levi P. Morton with the understanding that the title was to be vested in his daughter. This arrangement was combatted by the Duchess of Talland-Perigord and this misunderstanding of the transaction it is said, was the supposed cause of trouble between Count and Countess of Perigord or, as they assumed to call themselves Duke and Duchess of Valencay.

In the beginning of the present year reports reached New York that the Duchess was returning to the United States and that she was returning alone owing to a lack of family harmony. It was even said that the Duchess had found conditions so unpleasant that she would seek for a separation. When the Duchess arrived last March she did come alone, but she denied the reports of any disagreement with the Duke.

TENNIS TODAY.

The tournament in ladies' doubles will begin this afternoon on the Pacific Club courts. The following is the schedule.

At 4 o'clock—Miss Kathleen Ward and Mrs. T. C. Davies will play Miss Nina Adams and Mrs. Field.

At 5 o'clock—Mrs. S. G. Wilder and Mrs. R. Ivers will play Mrs. Reed and Miss Irmgard Schaefer.

The present holders of the ladies' doubles championship are Miss Lucy Ward and Miss Ethel Horner.

Entries for the mixed doubles will close next Tuesday.

IMPORTANT TO MARINERS.

The following important notice of buoys and beacons in this district has been issued by Captain A. E. Niblack, the assistant light-house inspector:

"Notice is hereby given that the Mid-Channel Entrance Buoy, Num, black and white perpendicular stripes, marking the entrance to Pearl Harbor, Island of Oahu, adrift 15 February, 1904, was replaced 22 June, 1904, in 33 feet of water, on the range NNW, 1/4 W, for the 30-foot dredged channel leading into Pearl Harbor, upon the following magnetic bearings:

Ahuia Point, NE, by E, 3/4 E.

Right Tangent Diamond Head Point, E, 1/2 S.

Windmill, NW, 1/2 N.

Right Tangent Queen Emma House, N, by W.

This buoy is on the range at the mouth of the channel through the reef. It should be passed close to on either side as the channel is only 200 feet wide.

"Notice is also given that the range Beacons used for passing through the 30-foot dredged channel, through the reef, leading into Pearl Harbor, Island of Oahu, reported missing 6 May, 1904, were replaced 22 June, 1904. The front range mark is a beacon in the form of a diamond 6 feet square and the rear range mark a beacon in the form of a windmill (2-12-foot boards crossed), both beacons being whitewashed. They are on the range NNW, 1/4 W, which is the mid-channel course through the dredged portion of the reef. The apex of the diamond shows just under the cross boards of the rear range mark. These range marks are erected on the submerged coral reef near the Queen Emma House."

JAPANESE PENSIONS.

The family of a dead Japanese soldier gets, roughly speaking one-third of the pay of his rank. This would give the widow of a private \$1.25 a month; of a first lieutenant \$3.25; of a captain, \$5.25; and to the widow of a colonel, \$20 a month.

SPLENDID SERIES OF PHOTOGRAPHS

CHOICE GEMS OF ART OFFERED BY THE STAR—COMPLETE HISTORY OF WORLD'S FAIR.

Every person who visits the Louisiana Purchase Exposition will highly appreciate the magnificent views which we are now offering to our readers, since these views furnish a valuable and abiding souvenir of this great civic event.

Those who, through any reason, are not able to visit the Exposition will welcome the views quite as gladly, since they present a complete pictorial and descriptive history of the memorable festival.

All classes and conditions of men and people of all ages will alike find amusement and instruction in the artistic pages of this great series; while the student and the artist will discover a thousand details worthy of careful thought and study.

An important feature of the distribution is to be found in the fact that the thirty portfolios cost but a trifling amount, which anyone is glad to exchange for so worthy and lasting an acquisition.

All our readers seem to understand thoroughly by this time that the "Forest City" series of views is official; that they are the best obtainable, the original photographs having been taken by the official photographer of the Exposition, and the description having been written by Walter B. Stevens, Secretary of the Exposition.

This makes the work a production of the highest authority, and, on that account particularly valuable both for purposes of education and reference.

It, therefore, becomes almost the duty of every person who desires to be considered progressive to secure the entire series, and the easy manner in which this may be done is fully explained in the "Forest City" announcement, which appear from time to time in our columns.

Briefly speaking, it is only necessary to send or bring a "Forest City" coupon with 19 cents to secure any portfolio which has been issued; the small amount mentioned being merely to cover cost of handling, addressing, mailing etc.

Our original supply of the early numbers was quickly exhausted, but we have now made arrangements so that those who did not begin with Part 1, can secure back numbers now. This fact will be appreciated by those who desire the series from start to finish. Part 1 and 2 now ready. Part 3 ready Saturday.

FIFTY YEARS A JANITOR.

A unique occasion was that recently celebrated in the Fifth Avenue Church, New York when the church recognized the completion of the fifty years of service of the assistant janitor by presenting him with a check for \$1,100. A similar gift was made by the same church last autumn when the janitor also completed a half century of service.
