AMENDMENTS TO THE ORGANIC ACT

E. A. Mott-Smith, the Acting Governor, has given out the following as Governor Frear's proposed amendments to the Organic Act:
PAY OF LEGISLATORS.
Section 26. That the members of the Legislature shall receive for their services, in addition to mileage at the rate of ten cents a mile each way, the sum of six hundred dollars for each regular session, payable in three equal instalments on and after the first, thirtieth and fiftieth days of the session, provided they shall receive no compensation for any extra session under the provisions of section fifty-four of this act.

THE JUDICIARY, ETC.
Section 80. That the president shall nominate and, by and with the advice and consent of the Senate, appoint the chief justice and justices of the supreme court, the judges of the circuit courts, who shall hold their respective offices for the term of four years, and until their successors are appointed and qualified, unless sooner removed by the President. Nor shall any judge sit in any case in which he may have been of counsel or on an appeal from any decision or judgment rendered by him, and the Legislature of the Territory may add other causes of disqualification to those herein enumerated.

RESTORATION OF PROPERTY.
Section 91. And any such public property taken for the uses and purposes of the United States by direction of the President or of the Governor of Hawaii may be restored to its previous status by direction of the President; and the title given such public property in the possession and use of the Territory for the purposes of schools, cemeteries, parks, roads, wharves, water works, sewer works, electric works, public buildings, or other public purposes, or required for any such purposes, may be transferred to the Territory by direction of the President, and any such property may thereafter be transferred to any city, county or other political subdivision thereof by direction of the Governor of the Territory, when thereunto authorized by the Legislature.

SALARIES OF OFFICERS.
The following officers shall receive the following salaries, to be paid by the United States: The governor, ten thousand dollars; the secretary of the Territory, five thousand dollars; the chief justice of the supreme court of the Territory, seven thousand five hundred dollars; the associate justices of the supreme court seven thousand dollars each; the judges of the circuit courts, four thousand dollars each; the United States district judge, seven thousand dollars; the United States marshal three thousand dollars; the United States district attorney, three thousand dollars. And the governor shall receive annually, in addition to his salary, the sum of one thousand dollars for stationery, postage and incidentals; also his traveling expenses while absent from the capital on official business, and the sum of two thousand dollars annually for his private secretary.

NATURALIZATIONS CONFIRMED.
Section 100. All records relating to naturalization all declarations of intention to become citizens of the United States, and all certificates of naturalization filed, recorded or issued prior to June twenty-ninth, nineteen hundred and six in or from any circuit court of the Territory of Hawaii shall for all purposes be deemed to be and to have been made, filed, recorded or issued by a court with jurisdiction to naturalize aliens, but shall not be by this Act further validated or legalized.

ABOLISH HIGH SHERIFF.
Section 79 of the Organic Act providing for a high sheriff and deputies and defining their duties is proposed to be repealed.

COUNTY LOANS.
An amendment is proposed to enable counties to issue bonds under conditions to be prescribed by the legislature. It will give a maximum life of thirty years to bonds issued under Territorial authority instead of the present limit of fifteen years. Redemption of bonds will be in yearly instalments according to their terms, thus avoiding the necessity of a sinking fund.

CHAMBERLAIN'S COUGH REMEDY IN SOUTH AFRICA.
Mr. S. Schneider, of Koffeyfontein, O. R. C., is very grateful to the manufacturers of Chamberlain's Cough Remedy. He has found that it cures his children as well as himself of their coughs and colds. They were all coughing and got no relief until this remedy was used. Many parents have made this same discovery. There is nothing better for coughs, colds and croup, and as it contains no injurious substance, there is no danger in giving it to the children. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.
