SPORTS

ANOTHER FIGHT BEING ARRANGED

Dick Sullivan and Jack Cordell have been finally matched to fight at 25 rounds, the bout to take place in the Star theater off Liliha street a week from Saturday night. This match is the direct result of the two results less goes at 15 rounds, the friends of both men having a desire to have a square, longtime test of the staying qualities of each.

Jack Scully has been arranging the match. It was the intention of Cordell to leave for the Coast in a few days, and, in consequence, he hesitated about going into the affair. He finally yielded to the pressure of his friends, however, and the mill will be a go.

The promoters of the contest have not yet arranged for a preliminary, but will probably have one if the right parties can be brought together.

CHARLIE REILLY TO FIGHT AGAIN

Charlie Reilly, formerly of Honolulu, will have another fight in San Francisco on Friday night of this week. Of the matter the San Francisco Call, of July 17, says:

Charlie Lercari has an announcement to make at last. He is out with a card for this month. Instead of one match the Pacific promoter will put on three of them, consisting of 40 rounds of action. The main setto will be furnished and by Lew Powell and Chick Hudson; Jack Clifford and Kid Harrison are on the list for the next one while Charley Reilly and Roscoe Taylor will meet for the second time in a 10 round mill. The first two will be over the 15 round course. Sol Levinson will referee them all. The fights are to take place at reamand, Friday evening, July 30.

All the fans know Powell. He has been fighting around this city for seven or eight years. He started out as a four rounder in the old days and since then has done practically all of his fighting in his native town. Though never rated as a champion, Powell has been plugging along at a very steady clip, and last month he easily beat Young Erne of Philadelphia in a 20 round mixup before the North End club.

Hudson started only once here — three months ago—against ohmy Murphy, whom he outpointed in 15 rounds. Hudson is a tough, rugged little fellow who fights after the manner of Cyclone Jobny Thompson. He is not a graceful performer to watch, but he manages to keep in action all the time. In Powell he will meet a very clever, defensive fighter and he will require all his strength and rushing ability to bring home the money. The Clifford-Harrison mill is a fair sort of one. Clifford has been making much capital out of the fact that he

CAPT. PAUL BURNS MAKES STATEMENT

Paul Burns, captain and manager of the Kalia baseball team, authorizes the following statement:

"The statement in the papers that Eddie Fernandez is president of the Kalia Athletic Club is wrong. Fernandez held the office of president some time ago, but resigned fully a month before the Oahu Baseball League was organized. I am not president, and am also captain and manager of our baseball team.

"Since he has been officiating as umpire of the League, Mr. Fernandez has not been an officer of our club, and so far as I know does not concern himself in anyway with the success or failure of our baseball team. If he has felt any partiality for our team, I certainly have had no reason to suspect it; and I deny that he has ever favored my team in any manner, or at any time whatsoever."

The Japanese members of the Japanese Athletic Club have, from all accounts, charged that Fernandez has worked against them on several occasions. And there you are.

TENNIS CONTESTS START SATURDAY

The tennis tournament for the Wall cup will start on the Beretania courts next Saturday afternoon, and promises to be far more interesting than any pulled off in a long while. Entries are now being received for the handicaps. Players desiring to enter may leave their names with Ray B. Rietow or R. B. Booth. The drawings will be made on Friday.

As the matter now stands, W. L. Warren holds two legs on the prize cup. He is regarded as an exceedingly hard player to beat and has a superb chance of winning out. There are other good players, however, who are determined to block his great lead if possible, among them being A. L. Castle, E. S. Gee and Captain Low.

The Beretania courts are in fine condition, and if the weather continues favorable the crowds in attendance upon the contests will undoubtedly be large.

was "robbed" in that fight with Bat Nelson in Oklahoma City last month. He has never fought in this city, though the fans in most of the other important towns of the state have seen him in action. Clifford beat Harrison once in four rounds, and he expects to repeat this time, though Harrison has improved much of late.

Taylor and Reilly fought 10 rounds last month and Reilly received the decision. It is barely possible that Lercari may have to substitute another bout, for Reilly is going against a whirlwind in Tom McCarthy at Coffroth's this afternoon. Reilly is very clever, but lacks a punch.

PEARL WINS THE BABY YACHT RACE

There was another pretty race of the small yachts in the harbor last Sunday, and this time the maneuvers were witnessed by many lovers of the sport, positioned upon the various wharves. As on the previous Sunday, the race was from a position opposite the Myrtle boat house, out the channel, around the farther buoys, back around the dolphins at the marine railway and quarantine island, repeated the necessary number of times to make the desired distance.

The boats entered were the Pearl, owned by Luther Hough; Ina, by Robert Henry; Irma, by Max Bolster. The Florence did not race on account of the absence of the Crozier boys from town. The Pearl gave the other yachts a handicap of 20 minutes, but, in spite of this large lead, came out ahead.

The time of the Pearl was one hour and twenty minutes. That of the Ina, which was second in the race, two hours, six minutes. The time of the last boat was not taken.

The trophy put up for these races must be won five times before it becomes the property of either yacht. As the contest now stands, the Pearl has two legs on it. Next Sunday afternoon, beginning at 1:30, another race will be sailed. At that time it is hoped that the Florence will also be out.

The oarsmen of the Myrtle Boat Club are still anxiously awaiting some tidings from the University Club and the Henlani Boat Club respecting a shell race at Pearl Harbor. Now that young Withington is here they think that the Universities ought to be able to come through with the project. The club certainly has the making of a fine crew.

DEMOCRATS BEAT THE REPUBLICANS

Democrat and Republican members of Congress engaged in a game of baseball at Washington on the afternoon of July 16 that the papers describe as one of the most laughable on record. The Associated Press sent out the following, thrilling account of the battle:

WASHINGTON, July 16.—With "Uncle Joe" Cannon looking on and powerless to call the minority to order, or bring in a special rule shutting off basehits, the Democrats of the house of representatives walloped all sorts of tariff schedules out of the Republicans at American League park today, and won the most famous congressional baseball game on record by the thrilling score of 26 to 16. The minority wanted to make it 16 to 1, but the Republicans defeated that proposition again.

The crowd which witnessed this game was as weary as the players—

from laughter. The throng present included most of the government officials. President Taft did not attend; he was at Chevy Chase with Vice President Sherman playing golf.

The Democrats put up a rattling game in the field—some times. Representative Hefflin of Alabama, playing in one of the outer gardens, once had a chance to be a hero. The Republicans came to life in the fifth inning and were scoring 8 or 9 or 10 runs when a line fly went winging out into left field, straight at Hefflin. The portly Alabamian cast one eye at the ball and another at his bare hands, and "ducked." The hit ought to have been good for a home run, but Representative Howland of Ohio fell exhausted on the second sack and yelled for somebody to come on out and finish the run.

Representative Nicholas Longworth of Ohio failed to live up to his adulatory notices. He presented a natty appearance in his golf trousers, but he "caseyed" out twice with two men on bases, got a base on balls once, and then in the last half of the seventh showed a flash of rare speed when he beat out a tiny little infield hit. His only other acquaintance with the ball was a couple of foul tips and several long runs after two batters, slammed out by the Democrats.

The Republicans stuck to their original line up throughout, but the Democrats wore themselves out making 10 runs in the second, and after that substitutes were called upon with ever-increasing frequency and the batting order was shifted every inning. The nearest newspaper scorers could come to give the Democrats 23 of the former and five of the latter. The Republicans are credited with 20 safe hits and 9 errors.

Representative Burke of Pennsylvania, who was at the receiving end for the majority, is of slight build and when he crunched into Pitcher Gaines of West Virginia the little catcher was sent heels over head to the ground. He picked himself up undaunted, and then while he and the pitcher were doing an "Alphonse and Gaston" three Democrats with a warped idea of chivalrous courtesy, raced home and added three runs to their already opulent total.

The Republicans were captured by Representative Tener of Pennsylvania, who played short. Representatives Gaines and Burke were the battery. The Democrats' leader was Representative Kinkaid of New Jersey, who played second. Representative Webb of North Carolina pitched for the Democrats and Representative Oldfield of Arkansas was the catcher. Rev. Father James Reynolds of Red Bank, N. J., was umpire. The score:

R. H. E.
Democrats... 2 10 2 0 0 5 7-26 23 5
Republicans... 2 0 1 0 1 0 1 2-16 20 5

The line up:
Democrats—Aldfield (Ark.), catcher; Webb (N. C.), pitcher; Hughes (N. J.), first base; T. Kinkaid (N. J.), second base and catcher; Garrett (Tenn.), right field; McDermott (Ill.), left field and center field; Robinson (Ark.), right field; O'Connell (Mass.), shortstop and third base; Dan Driscoll (N. Y.), shortstop and third base; Hefflin (Ala.), left field; Cox (O.), center field.

Republicans—Burke (Pa.), catcher; Gaines (W. Va.), pitcher; Dawson (La.), second base; Longworth (O.), center field; Cole (O.), right field; Ames (Mass.), left field; Tener (Pa.), shortstop; Howland (O.), first base; Thomas (O.), third base.
