SCHOOL MATTERS.

Business Transacted at a Board of Education Meeting.

A session of the Commissioners of Education was held yesterday afternoon. There were present the following: Mrs. Jordan, Inspector General Townsend, Deputy Inspector Gibson, Professor Alexander, W. A. Bowen, H. M. von Holt. In the absence of Minister Cooper, Professor Alexander took the chair.

Most of the time of the meeting was spent in discussion. There was not much business to be transacted.

The Committee on Finance, appointed at a special meeting held recently, handed in an extended report, recommending changes in the appropriations voted by the Legislature for the Department of Education. The report was adopted.

Professor Alexander read the report of the Committee on Lands and Buildings, which was adopted.

Mrs. A. Wood, a teacher who has served over 14 years under the department, was exempted from any further examinations as long as she remains connected with the Department of Education.

The resignation of Miss Boegli as teacher of French and German in the High School was accepted, to date from July 1. Miss Boegli will go to San Francisco. Members of the board expressed regret at losing the services of Miss Boegli, as she had proven a most efficient and painstaking teacher. Board adjourned at 5 p. m.

The Great Rugby Game.

At the Makiki baseball grounds tomorrow afternoon, will be played by local teams a charity game of Rugby football. There is promised first-class sport. Those who are in the teams have been practicing hard for a month and incidentally easily bested a selected XV off the Klondike steamer. In Rugby there is much better opportunity for individual play than in the college game and more of the field work can be seen by the audience. The band will enliven the affair tomorrow afternoon and the proceeds will go to a fund for the benefit of three deserving orphan children.

The teams for the Charity Match tomorrow afternoon will be picked from the following players who must be present at practice this afternoon at 5 o'clock on the parade grounds: S. Wansey, D. Sloggett, W. L. Stanley, Rev. J. F. Lane, Prince Cupid, Prince David, H. M. Mist, W. Vida, A. Robertson, W. Soper, L. Singer, R. Hamilton, St. Chad Pihanala, P. T. Phillips, G. Little, F. Atkins, C. Tax Office Busy Day.

Yesterday was the busiest day of the year at the tax office in the Judiciary Building. From 8:30 in the morning till 4:30 in the afternoon, there was a line at the pay window. It was the eleventh hour for the settling of personal and dog taxes without the 10 per cent. penalty for delay. The receipts were much larger than on the corresponding day for last year.

Poll taxes were also collected in large sum totals outside the office. Collectors had books at the police station, insane asylum, public works, water works and other offices where large numbers of men are listed.

I was reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the Worcester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children.—W. A. STROUD, Popomoke City, Md. For sale by all druggists and dealers. Benson, Smith & Company, Limited, wholesale agents for Hawaiian Islands.

Married.

Miss Elizabeth Brooks was married to George Washington Smith at the home of the bride, corner of Merchant and Alakea streets last night, Bishop Gulstan of the Catholic Church officiating and Father Sylvester assisting. The ceremony was a simple one and but a few relatives and friends were in attendance. After the solemn occasion a large number of friends called to offer their congratulations. Supper was served while the quintette club, stationed on the veranda, played and sang Hawaiian airs. Festivities were continued until a late hour.

Say "Yes," and Prove It.

When you answer in the affirmative be sure you are in a position that will bear out your assertions. There is no such word as "Fail." Say "Yes," and stick to it. Say "Yes," and prove it.

Have we good fitting shoes? Have we the latest styles? Are our shoes up-to-date? Are our shoes correct in price? YES, to all these questions, and we can prove it. If you doubt this declaration, come and see us and we will convince you.

DEAR SIR:-The Secretary Disc Plow I purchased from you is giving us satisfaction. We are using it to plow under a crop of lupins. They are three feet high and very thick. Your plow turns them completely under, at the same time plowing the land fourteen inches deep.

I feel satisfied that with this plow the draft for the same quantity and depth of work is as 6 to 8. That is, with the old plow, to do the same work, it takes 8 good mules; with your plow it takes only 6, and they are less tired at night.

Please send me another plow by first schooner leaving for this.

You are at liberty to use this in any way you may see fit. Yours truly, A. LIDGATE.
