Always Works Right

The superiority of the ROYAL BAKING POWDER over and above all other kinds is never so manifest as when tried in comparison.

It has greater strength, and all the powder in the can is of the same strength, and will do the same perfect work.

It is the only powder that will hold its strength for a long time, or that will keep fresh during sea voyages, or in damp climates.

It always makes the finest biscuit, cake, doughnuts, rolls and muffins, and no cook in kitchen or camp can afford to be without it.
