Soap is not the enemy to the complexion which many people consider it. It is infinitely better for the skin than the dirt which will collect in the pores after a day wheeling or traveling.

All soap is not good for the skin. For instance, common laundry soap would ruin a complexion. Use only the purest of soap for face and hands. A trial of CURATIVE SKIN SOAP will convince anyone that it is the proper toilet soap. It will leave the face and hands soft and clean. It stands the test. 25c cake; 3 for 60c.
