AN EFFECTIVE FLY.
It Slaughters the Rose Bug in
Murderous Style.

For about a week now Prof. A. Koe-
bele, the Government entomologist has
been watching the breeding of a fly
that has a peculiar affection for the
Japanese beetle, sometimes called the
rose bug. This fly hunts out the beetle
and deposits upon it a living maggot.
A female fly during its lifetime of
three to five months produces in the
neighborhood of 200,000 of these tiny
white worms. The maggot develops
into a fly. In the laboratory of Pro-
fessor Koebele may be seen the young
fly issuing from the cave of the dead
beetle. On grounds here selected for
experiment the flies were noticed to
hunt into crevices for the beetle. Pro-
fessor Koebele used this fly against
the grasshopper in California with
signal success. The fly disappeared
soon after the grasshopper pest was
driven away. It is moleculately certain
that the fly will die here when it ceases
to find the rose bug or some other
destructive insect. The new enemy of
the beetle resembles very much a house
fly, being of about the same size, but
a trifle lighter in color. Professor
Koebele is now using for the purpose
of breeding the fly a consignment of
beetles sent from Kanai, but unac-
companied by a letter of advice.

Another Time Card.

In the interest of its patrons and
the public generally the Hawaiian
Gazette Company, Ltd., has issued a
third steamer mail time table for 1898.
This one is as of April 20 and can be
depended upon. Previous issues
should be destroyed. A copy of the
new time card is sent to each Adver-
tiser subscriber this morning. The
card may be secured at this office.

Favors the Park.

Attorney-General Smith said yester-
day that he was one of those who
favored a place at Kapiolani park as
a site for the Carter Memorial foun-
tain. Mr. Smith thought it right and
proper that the memory of Mr. Carter
should be preserved in a suitable man-
ner. However, the Attorney-General
believes that a less public place than
Union Square will be better for the
memorial.

**THE
Customer's
Approval**

IS WORTH HAVING. It
makes the very best sort of advertis-
ing. The saving of even the smallest
fraction in buying is often worth, in
the aggregate, your year's rent.

STRONG POINTS.

The strong points on which we make
our sales and keep our customers lies
in the fact that we never attempt con-
coction. We don't approve of it under
any circumstances. Many times we are
asked relative to the different goods,
and we gladly give it even if we have
to sacrifice a penny by doing so. In
the long run we lose nothing.

STAPLE GOODS.

Last week we spoke of our canned
goods, this week we will talk fruits in
glass jars. The name of J. T. Morton,
Heintz, Cross & Blackwell, Curtis,
Durets Co. and White are synonymous
with pruity in the following goods:
GREEN GAGES, DAMSONS, CHER-
RIES, RASPBERRY VINEGAR,
DELBI SWEET CHUTNEY, RIPE
OLIVES, BOILED APPLE CIDER for
MINCE PIES, WHITE ONIONS,
SWEET PICKLES, CHOW CHOW,
GHERKINS, LIQUID RENNET for
DESSERTS, WATER WHITE VINE-
GAR, SUBLIME LUCCA OIL for
SALADS and CANDIES.

Aside from these we have a varied
assortment of Preserves, Jellies, Mar-
malades and Jams. All these goods
are freshly packed in air tight glass
containers and preserve their original
flavors, and are simply what we claim
for them, the best and cleanest of their
kind.

KIDNEY TROUBLE CURED.

A Well-Known Hotel-Keeper Relates
His Experience—He Suffered Great-
ly From Kidney Trouble and Indis-
gestion.

From the Standard, Cornwall, Canada.

James Macpherson, hotel-keeper in
the village of Lancaster, Glengarry
County, has done business for a number
of years in Lancaster, and having suc-
cessfully catered for the patronage of
the travelling public, therefore is
favorably known not only at home but
also abroad. In conversation with a
newspaper reporter he enumerated
some of his ailments and how he was
cured. "About two years ago," he said,
"my whole digestive apparatus seemed
to become disordered. Some days I
could move around, then again I would
be obliged to go to bed. I tried several
things but with indifferent success.
Occasionally I felt relieved, but in a
day or two the old symptoms would
return with a more depressing effect.
This kind of thing went on until I
became troubled with my kidneys,
which was a very annoying addition
to my sufferings. I was restless, with
a sensation of sickness at the stomach,
with intermittent pain in the small of
my back. I was miserable enough
when I consulted the doctor, who
probably did me some good, because I
felt relieved. The doctor's medicine
was taken and his directions obeyed,
but I did not improve. I had heard of
the fame of Dr. Williams' Pink Pills.
My wife believed in them and urged me
to try them. I am glad I did so, for
after taking one box I felt better, and
I continued taking the pills until I was
completely cured. This summer I had
an attack of the same complaints and
I found Dr. Williams' Pink Pills as
effective as before. I had this advan-
tage, my knowledge and belief in the
pills saved me from costly and tedious
experimenting such as I had undergone
previously. I may further add that
both myself and Mrs. Macpherson have
derived much benefit from the use of
Dr. Williams' Pink Pills, and I can
cordially recommend them to those
who are suffering similarly."
Rheumatism, sciatica, neuralgia, partial
paralysis, locomotor ataxia, nervous
headache, nervous prostration and
diseases depending upon humors in the
blood, such as scrofula, chronic erysip-
elas, etc., all disappear before a fair
treatment with Dr. Williams' Pink
Pills.
