**AN OLD POEM READ**

Verses Written By Rev.  
Bingham Years Ago.

Meeting of Mission Children—The  
Smaller College—Talk  
on the War.

The Cousin's Society held its regular  
meeting at Chief Justice Judd's on Sat-  
urday evening, a fair number, includ-  
ing some visitors, being in attendance.  
The meeting was opened with the  
hymn "Blest be the tie that binds,"  
and with prayer by Rev. Mr. Leading-  
ham.

Reports of two previous meetings  
were then read by the secretary and  
approved by the society.

Miss Agnes Judd favored the com-  
pany with a pleasing vocal solo.

Mrs. Coan read a poem written by  
her father, Rev. Hiram Bingham, on  
the subject "The Long Wooden Table,"  
which was highly appreciated by the  
society. The poem was written in 1828,  
and described a long dining room table  
used at the Mission School in early  
days, and often having seated round it  
from 40 to 50 persons. One half of the  
table was afterwards sent to Hilo.

The poem was followed by an inter-  
esting paper on "Reminiscences of Col-  
lege Life at Wesleyan," by Frank C.  
Atherton. Mr. Atherton gave some  
amusing experiences of college days,  
described Middletown as a picturesque  
little city among the Connecticut hills,  
set forth the college buildings, touched  
upon the fraternity life, and closed  
with an argument in favor of the ad-  
vantages of the small college over the  
larger institution.

Dr. N. B. Emerson next read a poem  
on "Hawaiian Morning Glories," writ-  
ten by Rev. James Alexander, of Ash-  
land. The president requested that  
this be placed on file with the records  
of the society.

Rev. Sereno Bishop read a well pre-  
pared paper relating to the probable  
effects of a war between Spain and  
America.

Miss Gulick was then called upon  
and spoke in a very interesting man-  
ner of the members of the Cousin's So-  
ciety who are at work in Japan. She  
gave descriptions of their homes and  
told of the work in which they are en-  
gaged. She brought greetings from  
them to the society and expressed her  
pleasure at being present again after  
her long absence.

The president, Mr. J. S. Emerson,  
followed Miss Gulick's remarks with a  
reference to Mr. John Gulick and the  
great work he is doing in Japan in the  
field of scientific research.

Miss Hyde rendered a vocal solo in  
sweet tones highly enjoyed by all present.

After voting to meet next month at  
Punahou, the society adjourned with  
the singing of the usual missionary  
hymn.

**WAVERLEY CLUB.**  
Report on Concert Made to the  
Managing Committee.

The first meeting of the managing  
committee of the Waverley Club since  
its Easter concert was held on Satur-  
day evening.

The entertainment committee pre-  
sented a partial report in reference to  
the concert showing the receipts to  
have been about \$170 and the expendi-  
tures about \$100. They were granted  
further time to present a final report.

A special vote of thanks was passed  
to the special entertainment committee  
and to the ladies and gentlemen who  
so kindly assisted to make the concert  
so charming a success.

Votes of thanks were also passed to  
W. F. Reynolds, R. J. Penn and Mes-  
srs. W. C. Peacock & Co. for donations  
of books and other articles of use to  
the club.

A dozen or more applications for  
membership to be voted on at the spe-  
cial meeting of the club on Friday eve-  
ning next were presented and approved  
by the enrollment committee.

Among the bills ordered paid was one  
for \$38.35 for six lamps necessitated by  
accidents to the electric light machin-  
ery.

Five gentlemen were elected hono-  
rary members for services rendered to  
the club.

**GIVE YOURSELF WEIGHT.**

Don't give yourself away by accept-  
ing any of the inferior brands of beer.  
Be onto yourself and insist on getting  
"Rainier" and you will be looked upon  
as being intelligent and up-to-date,  
especially if you patronize the Favor-  
ite Saloon.  
W. M. Cunningham, Proprietor of  
this well-known resort, has been in  
the business for many years, and is a  
connoisseur in liquors. His establish-  
ment is always orderly, and, with the  
services of his assistant, Mr. Thomp-  
son, customers are promptly supplied.

This is the week of moonlight con-  
certs by the Government band and the  
schedule is published along with the  
Emma Square program for tonight.

**Stop Coughing!**

Every cough makes your throat more raw  
and irritable. Every cough congests the lin-  
ing membrane of your lungs. Cease tearing  
your throat and lungs in this way. Put the  
parts at rest and give them a chance to heal.  
You will need some help to do this, and you  
will find it in

**Ayer's  
Cherry  
Pectoral**

From the first dose the quiet and rest  
begin; the tickling in the throat ceases; the  
spasm weakens; the cough disappears. Do  
not wait for pneumonia and consumption but  
cut short your cold without delay.

Ayer's Cherry Pectoral cures because it  
heals. It goes to the very seat of trouble,  
quiets the inflammation and makes a perma-  
nent cure. Begun in time, it is the one great  
preventive to all serious lung troubles.

Beware of cheap imitations. See that the name  
Ayer's Cherry Pectoral is blown in the glass of each  
Bottle. Put up in large and small bottles.

**What Makes the Man  
or Woman?**

Clothes, of course!  
You hadn't thought  
of that. Why not  
buy clothes that are  
made in the right  
way? We are in the  
business to make all  
persons equal as far  
as clothes are con-  
cerned. Why not  
buy the best? Why  
not buy tailor-made  
clothes at the price  
of ready-ones? We  
can place you in the  
position to do so.

**Profitable Returns**

Are what business men  
have a right to expect from  
well managed legitimate en-  
terprises. Hundreds fail  
where one succeeds, not from  
want of merit in the goods  
offered for sale, but because  
of a lack of the right kind of  
knowledge as to what their  
customers require.

With me, I study the con-  
ditions for a long time before  
investing my money in car-  
riages or harness, and when  
at last I find what is desired  
I scour the market of the  
United States from San Fran-  
cisco to the Atlantic ocean,  
if necessary, to get good  
goods, made by responsible  
houses, at figures that war-  
rant placing them before the  
public at a figure within rea-  
son and still allowing me a  
fair margin.

At present I have a hand-  
some line of—

Today we experience: Tomorrow never comes.  
An uncertainty is a dissatisfaction, leaving us doubt-
