

An Important Notice

To Whom
This May Concern

WE feel that we are the servants of the public, because the public supports us and pays us, with our yearly profits, for the services which we render them. Like good servants, we are not content unless we render to our patrons the very best service possible and all which that implies. While the support which we have received in the past has been most gratifying and would lead us to believe that we have been giving satisfaction, we are satisfied short of nothing that is not an improvement on the past.

We and the buyers of our various departments have scoured the markets of the world in order that we may this Spring place before our patrons everything in the way of men's, boy's and children's apparel which is best, newest and most serviceable, at the lowest price consistent with the high standard demanded of us.

Our Spring Stock is now ready for your inspection, so without further ado or blare of trumpets we ask you, at your convenience and leisure, to inspect our Spring offerings and pass judgment upon them today, tomorrow, or whenever you choose.

You certainly ignore your best interests when you buy your spring millinery without consulting our stock.

TIED OF LIFE

Japanese Laborer on Maui Commits Suicide.

The Perkins Had No Fear of Spain.
H. C. Co's Landing Rapidly
Being Completed.

(Special Correspondence).

MAUI, May 7.—During Friday, the 6th, a Japanese contract laborer of Spreckelsville plantation hung himself in one of the houses at Camp 2. He tied the end of a rope to a nail on the wall, passed it twice around his neck, fastened it to another nail on the same wall, and threw himself downward. The only explanation offered for his death was given in a letter directed to his mother in Japan, which letter was discovered in the house after his death. In this communication he asks for a certain magic paper which would prevent his dying suddenly. It is not probable that a coroner's jury will be convened.

During Thursday afternoon, the 5th, 29 teachers assembled in the Makawao school house, the regular monthly meeting of the Makawao Teachers' Association. Inspector-General Townsend gave a short address on the theory of "concentration" and talked concerning the Summer school of 1898.

During the week, Mr. Townsend has visited the Makawao, Kealahou, Keokea, Kaupakalua, Hamakua and Spreckelsville schools. Today he is at Huelo school.

Rev. Kallno of Paia preaches regularly at Pookela Church, mauka Makawao.

Dr. R. I. Moore, the dentist, is at Dr. Aiken's, Paia.

Mr. Fred. Out of Honolulu Post Office is enjoying a holiday at Mrs. H. B. Bailey's of Kalaupoko.

Miss Laura Green of Makawao departed on the barkentine Geo. C. Perkins for San Francisco. She may be away for a year.

On account of war news, flour has advanced to \$2 per bag, and the prices of other merchandise are rising.

The landing of the Hawaiian Commercial Co. now extends some 200 feet into Kahului Bay, and the work is progressing rapidly. A large lighter is well high completed.

During Saturday, April 29th, the schooner Allen A. Schrage master, arrived in Kahului, 31 days from Tacoma. She brought a cargo of lumber for Kahului R. R. Co.

During Thursday, the 5th, the barkentine Geo. C. Perkins, Maas master, departed for San Francisco with a cargo of Paia and Hamakua sugar. Miss Green was the only passenger.

Last evening, the 6th, a large number of Makawao people attended the May meeting of the local literary society which took place at the residence of B. D. Baldwin of Hamakua-poko.

The following program entitled "An Evening with the Schools" was of a highly amusing nature and not, as its name implies, extremely scholastic in spite of the fact that 10 teachers including the Inspector-General had to do with its arrangement and execution. Remarks on early Hawaiian education, Dr. E. G. Beckwith; "Trio," "The Schoolmaster," Mrs. Taylor and Messrs. Taylor and Atwater; Reading, A school as described by Chas. Dickens, H. S. Townsend; The Chinese school, Ah Fat Sin (F. E. Atwater) and pupils; Quartette, "Call John," Misses Fleming and Simpson and Messrs. Nicoll and Lindsay; The Model school, Miss Prim (Miss Eva Smith) and pupils; Comic Duet "A. B. C." Miss Simpson and Mr. Lindsay; The District school, Prof. Cyrus Penwinkle (S. R. Dowdle) and pupils; Tableau, (How Herr Professor Schnickelfritz punishes bad boys by giving them a dose of castor oil).

It goes without saying that such a list of events was productive of a vast deal of merriment.

On account of trade winds the weather is cool.

Australia to Return.

The local offices of the Oceanic S. S. Company now have definite information as to the assignments of the Australia and Zealandia. The Zealandia will be here on Wednesday next. This will be her last trip to Honolulu as the regular liner. No plans for her future have been made. It is not likely that with the present demand for boats of that class that she will long remain idle. For the next voyage after this round trip of the Zealandia the old favorite Australia will again be the local boat. A large force is now engaged in placing the Australia in the same condition she was in when chartered for the Klondike trade.

GIVE YOURSELF WEIGHT.

Don't give yourself away by accepting any of the inferior brands of beer. Be onto yourself and insist on getting "Rainier" and you will be looked upon as being intelligent and up-to-date, especially if you patronize the Favorite Saloon.

W. M. Cunningham, Proprietor of this well-known resort, has been in the business for many years, and is a connoisseur in liquors. His establishment is always orderly, and, with the services of his assistant, Mr. Thompson, customers are promptly supplied.

Sugar and Rice.

Sugar news by the City of Rio was that 96 centrifugals were quoted at 4 1/4, with the market firm and prices advancing steadily. Stocks (storages) are short and with the blockade of Cuba and Manila higher prices will be the rule.

Rice—No Hawaiian on the market. Louisiana—Market excited. An advance of 1/4 of a cent per pound on the day the steamer left San Francisco. The figures are 5 1/4 to 6 cents laid down in San Francisco. Japanese—\$4.75 duty paid.

PERSONAL MENTION.

G. B. Davis, a sightseer, recently a visitor to the islands, was heard to remark that in all his travels he had never been groomed in as satisfactory a manner as at the Criterion Barber Shop. Individual cups for rent for a nominal sum, if desired.
