**SPORT WAS GOOD**

Another Evening of First Class  
Racing at Cyclomere.

**THREE NEW RECORDS MADE**

Two in Competition - Jones Still  
Leads His Class - King and Lud-  
loff - Martin's Quick Half.

Another fine card of racing was given  
at Cyclomere on Saturday night. The  
weather was delightful, with a nice  
cooling breeze. Music that was enjoyed  
was furnished by a quintette club  
with Solomon Hiram as soloist. The  
men who started in the events were in  
good trim and did hard riding. For  
each number there was a close contest  
with hurricane finish. The attendance  
was miserably small. Unless the town  
boys who have gone to the expense of  
reopening the track receive more en-  
couragement, they will close it and  
the banks will go into the lake. The  
promoters have lost money on both  
meets of the present season. They  
will stand this just about once more.  
Just why patronage is held away is  
puzzling indeed. Programs that would  
attract thousands in a town of the  
same size in the States gather only a  
few hundred spectators. It has always  
been claimed that clean, honest sport  
would meet tons of discouragement.  
Here is a brief summary of Saturday  
night's events:

Two Mile Amateur Handicap, One  
Heat - King was on the scratch. Giles  
and Ludloff had 4 yards each, Damon  
70, Souza 110, Bredé 140 and Williams  
170. King made a plucky fight, but  
was unable to overcome the penalties.  
He overtook the bunch in a mile, but  
was unable to come out for the finish.  
Ludloff led home in a beautiful sprint  
and a jump of the Jones stamp, with  
Damon second and Giles third. The  
time was 5:21 - three seconds under  
the record. After this Damon was  
compelled to retire for the evening, his  
stomach going back on him.

Half Mile Open Professional, Two  
Heats and a Paced Final - Martin,  
Jones, Manoa and Sylvester qualified in  
1:19 and 1:11 1-4. In the fast heat  
Martin beat Manoa out in a decidedly  
pretty battle down the home stretch.  
Martin led over the tape by only a foot.  
In the slow heat Jones showed the  
way for Whitman and Sylvester and  
Sylvester beat Jones out for second  
place. There was comical slip-up in  
the final. Kirk Porter, with George  
Martin's convict suit, went into pace  
on a single. Porter jumped out like a  
runaway slave pursued by a blood-  
hound and his pace was not used at  
all. Jones won this final and the race  
in 1:17, with Manoa second and Martin  
third. Jones and Manoa rode in fine  
form. Martin was late in starting his  
sprint.

Two-thirds of a Mile Open Amateur  
in two Heats and a Final - King and  
Souza in the first heat and Ludloff,  
Giles and Bredé in the second, qual-  
ified. Ludloff showed some of the pret-  
tiest riding of the evening in coming  
home first in the second heat. The  
spectators anticipated that the final of  
the two-thirds would be a lively brush,  
and there was no disappointment.  
King won out, with Ludloff second  
and Giles third in the record time of  
1:34. This takes seven and two-fifths  
seconds off the time for the best per-  
formance at the same distance since  
the track opened. Halstead and Lyle  
paced on a tandem. King surprised  
everybody by the ease with which he  
led Ludloff over the tape.

Mile Handicap, Professional - Allan  
Jones was on the tape, with Sylvester  
100 yards away. Whitman had 20  
yards, Manoa 40 and Martin 60. Syl-  
vester held his lead for more than a  
lap. Meantime Whitman had over-  
hauled Martin and Manoa, and the  
three were traveling with a rush. Jones  
was after them at express speed. At  
the end of the second lap all were to-  
gether. Martin "hooked on" to Jones  
and came home second, with Whitman  
third. It was a fairly good finish,  
though Jones was not challenged for  
first place. The time was 2:20, which  
may be considered very creditable to  
Jones.

Will Lyle in a try for Henry Giles'  
record of an unpaced third in 43 4-5  
could do no better than 46. Lyle had  
not prepared for the event, merely go-  
ing on in place of Damon.

There was the very liveliest interest  
in Martin's trial for the half mile in a  
minute, flying start, paced by Murray  
and Porter. With the greatest cheer-  
ing the distance was covered in 59 3-5  
seconds and the start was not a fast  
one at all. Martin made a good show-  
ing of what he can do when he tries.

**PROBABLY PAU.**  
Chas. F. Murray, managing director  
of the hui of town boys that lately  
leased Cyclomere track from Desky  
said late last evening that the com-  
pany was probably done with the en-  
terprise. He continued that they had  
given good racing at heavy expense  
and had lost as much money as they  
could afford to part with on the two  
evenings already put in. The boys  
regret to take this step, but can see no  
other course that at all recommends  
itself.

**Ayer's Hair Vigor**

What does  
it do?

It causes the oil glands  
in the skin to become more  
active, making the hair  
soft and glossy, precisely  
as nature intended.  
It cleanses the scalp  
from dandruff and thus re-  
moves one of the great  
causes of baldness.  
It makes a better cir-  
culation in the scalp and  
stops the hair from coming out.

It prevents and  
it cures baldness.

Ayer's Hair Vigor will surely make hair  
grow on bald heads, provided only there is  
any life remaining in the hair bulbs.  
It restores color to gray or white hair. It  
does not do this in a moment, as will a hair  
dye; but in a short time the gray color of  
age gradually disappears and the darker color  
of youth takes its place.
