

The Shortest Route and Fastest Time

To health and strength will be found and made if you invest in a WHITELY EXERCISER. In order to keep up a healthy circulation it is not necessary to strain the muscles as is done in heavy gymnastics. The exercises necessary for harmonious development of the muscular system also call into action and develop the internal organs and other structures; hence the rapid and permanent cure of digestive troubles. The WHITELY EXERCISER will produce health and strength; it is simple, inexpensive and the only practical form of athletics for busy people. DEAR SIR:—The Secretary Disc Plow I purchased from you is giving us satisfaction. We are using it to plow under a crop of lupins. They are three feet high and very thick. Your plow turns them completely under, at the same time plowing the land fourteen inches deep.

I feel satisfied that with this plow the draft for the same quantity and depth of work is as 6 to 8. That is, with the old plow, to do the same work, it takes 8 good mules; with your plow it takes only 6, and they are less tired at night.

Please send me another plow by first schooner leaving for this.

You are at liberty to use this in any way you may see fit. Yours truly,

A. LIDGATE.

WANT TO SEE THE SOLDIERS

They Hope the Troop Ships Will Come—Sixty-One Contributors Have Pledged \$6,820.50.

Half a dozen dignified Chinese filed into the Hobron Drug Company's store last evening and asked for the Boys in Blue entertainment subscription list. They looked over the names and amounts and then without palaver or hesitation added the following to the paper:

- L. Ahlo \$25
Wong Kwai 30
Lam Yip & Loo Chit Sam 50
Wong Leong 10
Sing Chong Co. 100
Y. Ahin 25

Mr. Hough, of the Hobron Drug Company engaged the visitors in conversation. They had read in the Advertiser and had heard from friends of what was going on in anticipation of the visit of troops of the United States to Honolulu. The Chinese were surprised to learn that they would get their money back if the soldiers were not entertained. All of the Chinese subscribers agreed with Ahin, Ahlo and Wong Kwai in expressing the hope that the "American soldiers would come." It was explained that the Chinese subscribers, while in company socially, had talked of the enterprise of the citizens and had come to the conclusion that the Chinese colony should not remain in the back-ground in the matter.

Subscriptions to the fund have come in without stint and there has been no canvass. There are sixty-one names on the list and the total amount pledged is \$6,820.50. Much more will be given today. It might again be stated that the finance committee will leave the list at Hobron's till after the arrival of the Mariposa.

Following are all the subscriptions up to 8 o'clock last evening, besides the Chinese:

The New Pastor.

At 8 o'clock this evening there will be a business meeting of the congregation of Central Union Church. The committee calling a new pastor will report and there will be a vote on the name submitted. The candidate is selected from a list of thirty and is believed to be "just the man for the place." The committee which has made the search consists of Associate Justice Frear, Prof. W. D. Alexander and W. A. Bowen. Mr. Bowen is now abroad. It is expected that there will be a very large attendance for the meeting this evening.

RAPIDLY DISAPPEARING.

as well. The cars for the railway are now being constructed.

Manager George Weight of Kahuku, has been greatly encouraged by the success of the Waianae plant. He will soon begin tunnelling the mountains back of Kahuku for power water. Manager Theodore Hoffman, of the Hawaiian Electric Light Company, put in the plants, both at Waianae and Olowalu.

Of the installation last week of a water wheel at Hilo, the Tribune says: The new Pelton water wheel for the electric light works is now in place and running like clock work. It is an 18-foot wheel and is the second largest Pelton wheel in the world. This wheel will be used for the power of the ice plant. The lighting department will be hereafter run separately and the old wheel will be used for this. The pumping machinery is propelled by still another, making in all three water wheels of various sizes used at this plant.

WHOOPIING COUGH.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. Moore, South Burgettsstown, Pa. For sale by all Druggists and Dealers. Benson, Smith & Co., Ltd., Wholesale Agents for H. I.
