Inquisition!

The horrors of the Inquisition have been related many times, and just now as it is brought forcibly to the mind, one wonders why so many people who condemn it are apparently willing to suffer day in and day out, agonies born of pain, almost equalling Spanish tortures.

We speak of you who purchase shoes all too small or too ill shapen for you. You who go to stores where the science of foot fitting has never been known and is not being learned. We carry the finest and largest stock in the country and understand our business.
